

Sarvajanik College of Engineering & Technology, Surat

A constituent institute of Sarvajanik University

A Report on

An expert lecture

Capacities Building for Professional

Organized by
Instrumentation & Control Department

Event Detail

Date: 27th March 2024.

Time: 2 to 4 pm.

Venue: AV Room, EC department, SCET

Expert: Ms. Stuti Agrawal

Participants: 45 students of BTech IIII&C, Chemical and EC.

Invited expert Ms. Stuti Agrawal is an alumna of I&C department and she has earned MBA from IIM Udaipur. She was awarded for being one of the top 10 students at the college. She is a serial entrepreneur. She is a Founder of Prodigy Club, a one-of-a-kind startup in India focusing on Practical Education for kids of grade 1 to 10 and co-founder of Toy Academy, a personalized toy recommendation company.

The objective of the lecture was to give students the overall idea of skill development required for professionals. The expert focused on communication skill, interview skills and resume building by the students. She has conducted practical exercise of resume building and students prepared one version of resume, they discussed and modified for making it a better version. She covered the minimum points to be included in one page resume of technical professionals. One example format of resume was also shared to provide guidance to the students. The points to remember during interview were also covered in depth. Students interacted a lot and remained involved throughout the session.

Glimpses of Expert Lecture:

Prof. Jayana Rana presenting memento to the expert Ms. Stuti Agrawal.
