A Report for a Session

"Share What I Gain"

Invited speaker

Mr. Shubham Jariwala
Alumni, I.T. dept.

Date: 27th July 2023

Venue: EC AV Room

Faculty Coordinators

Prof. Bhumika Patel

In association with

SCET Alumni Association (SCETAA)

Department of Information Technology

Institution's Innovation Council (IIC) SCET

Sarvajanik Education Society
Sarvajanik College of Engineering & Technology
Department of Information Technology

A Report on Interaction with Alumni

Organized by:
Department of Information Technology

Coordinated by:
Prof. Bhumika Patel
(SCETAA Representative, I.T. Department)

Alumni:
Mr. Shubham Jariwala
Alumni, I.T. dept.

On

27th July, 2023

Department of Information Technology organized an interaction session under the banner of "**Share What I Gain**", initiated by SCET Alumni Association (SCETAA) for the Students of SCET on 27th July 2023 at 11:15 am to 12:15 pm. The purpose of the interaction was to facilitate a talk between alumni and our present students, in order that the latter may derive information regarding state-of-art practices in IT Industry and thus be inspired to higher aims. Around 96 students of third year B. Tech. (Information Technology) and third year B. Tech. (AI-DS) attended this session.

About The Alumni

The invited alumnus for this interactive session was Mr. Shubham Jariwala (2023 alumnus, I.T. Dept), who has cleared TCS tests and interviews and about to join at the Mumbai branch of TCS in August 2023. Shubham has cleared TCS test in 2022 and did internship in TCS from Feb to May 2023. He has good skills of competitive coding. He has also designed a website for our technical festival Converse 2k23.

Highlights of the interaction:

- ✓ Mr. Shubham Jariwala shared his experience with the IT and AI-DS students about his journey in our institute, how the faculties were helpful in developing his academics as well and how he improved himself by participating in various co-curricular and extra-curricular activities.
- ✓ He discussed about the experience of his competitive coding tests and interview he undergone in TCS where he emphasized engineering subjects were also made an important role even for interview other than IT industry.
- ✓ He gave tips and detailed guidelines to the students how to prepare for TCS coding tests, its various phases and interview process and how to set their career path which was more interesting for them.
- ✓ The session was more interacting and paved the way for motivating them personally in their academics and improving their future plans.

Some glimpse of the session is included herewith.
