Department of Textile Technology organized an interaction session under the banner of “Share What I Gain”, initiated by SCET Alumni Association for the students of SCET on 13th March, 2023. The purpose of the interaction was to facilitate a talk between alumni and our present students, in order that the students may derive information regarding state-of-art practices and new developments in the Textile Industry, ideas to pursue higher studies and achieve their aspired goals.

The lecture was titled: “**Sustainable Fashion**” and was attended by the students of BE II, BE III & BE IV (Textile Technology).

About The Alumni

The invited alumni for this interactive session was **Mr. Darshan Maiwala** - alumni from the batch 2017 of Textile Technology Department. He is presently a **freelance Apparel Designer based in Surat** and has rendered his services as freelance creative director to few of the Apparel Brands of Surat namely Vyaavt, Urban Suburban, etc.

Highlights of the interaction:

- Mr. Darshan started his presentation with an overview of the Fashion Scenario in India as well as in the global market and the need of sustainable fashion.
- He discussed the barriers leading to sustainable fashion.
- He made the students aware about various practices which could provide solution to sustainable fashion crisis.
- He then discussed the new consumer behaviour and ended his presentation by describing the future of sustainable fashion.
- The students found the concept of sustainable fashion quite interesting and had one to one informal interaction with Mr. Darshan after the talk.
