Prof.(Dr.) Jitendra Ajmeri

Department of Textile Technology organized an interaction session under the banner of “Share What I Gain”, initiated by SCET Alumni Association for the students of SCET on 18th February, 2022. The purpose of the interaction was to facilitate a talk between alumni and our present students, in order that the students may derive information regarding state-of-art practices and new developments in the Textile Industry, ideas to pursue higher studies and achieve their aspired goals.

The lecture was titled: “Present trend in Textile Industry after Covid-19” and was attended by the students of BE III (Textile Technology).

About The Alumni

The invited alumni for this interactive session was **Mr. Chetan Nakrani** - alumni from the batch 2006 of Textile Technology Department. He is working as a lecturer, (GES Class-II) at SSGP, Surat.

Highlights of the interaction:

- Mr. Chetan gave an overview of the impact of the lockdown owing to the pandemic on the local textile industry.
- He discussed the variety of approaches taken up by the local textile industry to survive during & after the lockdown.
- He discussed how, many conventional fabric manufacturers ventured into manufacturing of masks and ppe kits.
- He talked about importance of relations with faculties, colleagues and friends in order to remain updated about the ongoing industry trends.
- The session was quite interactive as the students also gave their input about the initiatives to venture into new areas taken up by people around them and who are a part of the textile industry.

Glimpses of the session:
