Information Technology Department organized an interaction session under the banner of “Share What I Gain”, initiated by SCET Alumni Association for the Students of SCET on 19th September 2015. The purpose of the interaction was to facilitate a talk between alumni and our present students, in order that the latter may derive information regarding state-of-art practices in IT Industry and thus be inspired to higher aims.

About The Alumni

The Guest for the interaction session was Ms. Jashoda Swain, who is currently an intern at Oracle India Pvt. Ltd. and 2013 alumnus of Information Technology department, SCET. She cleared her GATE examination in 2014. Then she took admission at Manipal Institute of Technology for pursuing her Masters in Technology in Computer Science and Engineering. Meanwhile she got selected in one of the Major IT Company, namely Oracle.

Points covered during Interaction:

- ✓ She shared her experience with the students about her journey from a student to an Intern at Oracle Inc.
- ✓ She has also shared her knowledge regarding the currently dominating technologies in the domain of Information & Technology.
- ✓ She has appreciated the efforts taken by SCET professors, who had always motivated and guided students for their best career development.
- ✓ She motivated and guided the students and encouraged them to put their best efforts to gain success in the life.

Participation

Students from the BE III I.T. and BE IV I.T. attended the interaction session with great enthusiasm and asked several questions.
