A Report on Interaction with Alumni

Organized by:
Information Technology Department

Coordinated by:
Prof. Dhanalakshmi Manickaraj
(SCETAA Representative, I.T. Department)

Alumni:
Mr. Aron Engineer

On
10th January, 2020

Information Technology Department organized an interaction session under the banner of “Share What I Gain”, initiated by SCET Alumni Association for the students of SCET. The interaction was held on 10th January, 2020 at 09:30 AM and the main audience focused were final year IT students. The purpose of the interaction was to make students gain knowledge about pursuing higher studies after completing their graduation.

About The Alumni:

The invited alumnus for this interactive session was Mr. Aron Engineer (2014 alumnus, I.T. Dept), who has completed his master’s degree from Concordia University, Canada and working in a software firm in Canada. He went to Canada for the further studies immediately after completing his graduation and is presently working in US based firm in Canada.

Highlights of the interaction:

- ✓ Mr. Aron shared his experience with I.T. students about his journey in our institute and about his project work.
- ✓ He elaborated about his knowledge how to search for the best universities abroad to pursue their higher studies and to how to apply for the courses.
- ✓ He discussed about the benefits provided by the Canadian Government to the foreign students and discussed various issues related to further studies in Canada based on his experience.
- ✓ He gave tips and guidelines to the students for preparation of IELTS entrance exam so that the students would get good scores that qualify them for admission.
- ✓ He had interactive session with the students during the due course of talk about the concepts in Java.
- ✓ Also, he showed some of the current job openings that are available in his concern so that students were able to know about which software skills they need to improve to match with the requirements of industry.
- ✓ Overall the session was more benefited for the students where they gained knowledge about higher studies as well as about industry scenario outside of India.

Few glimpses of the talk are depicted below:
