Coordinator:- Prof. (Dr.) Dipali Kasat

Participants:- 120 BE IV(Shift 1 &2) students of Computer Engg dept.

Summary:

The Computer Department organized the Start-up awareness seminar for BE IV students of the department in extra lecture hours without disturbing the academics.

The aim was to guide the participants on taking their projects and creativity in the direction of Startup. Prof. (Dr.) Dipali Kasat commenced the session by introducing the eminent speaker founder of My 1st Startup namely **Mr Gopal Mohata**. My 1st Startup has been guiding people who want to create their own Start Up.

Having a good amount of experience in this area, the speaker had a very practical approach and lots of real life examples and could impart participants a better understanding of Start Up and the tasks associated with it in detail. He pointed out and

cleared the myths of the jargon that are often associated with Start Up when heard by most of the people and helped shaping the mindsets of participants in the direction of Start Up. He explained the difference between Angel Investors and Venture Capitalists and explained what seed funding and crowd funding is.
