

# IEEE SCET SB

SCET Student Branch

## Advancing Technology • Building Future Leaders

### About Us

IEEE SCET Student Branch (IEEE SCET SB), has started in 2009 and reestablished in 2021. Sarvajank College of Engineering & Technology (SCET), Surat, is one of the most dynamic and high-performing college in South Gujarat zone. IEEE SCET SB is one of the vibrant student branches under the IEEE Gujarat Section.

Aligned with IEEE's global mission of **“Advancing Technology for Humanity,”** The branch actively bridges the gap between academia and industry through technical innovation, leadership development, and global engagement.

With 50+ impactful events annually, IEEE SCET SB has evolved into a recognized technical hub at regional and national levels.

### Collaboration & Engagement Opportunities

- Access to highly skilled engineering talent
- Brand visibility across 50+ annual events
- Engagement with 300+ active IEEE members
- Association with IEEE India Council & Gujarat Section
- Opportunities in innovation, research & STEM outreach

## Key Achievements & Recognition

IEEE SCET Student Branch has consistently demonstrated excellence, leadership, and innovation, earning recognition at both national and international levels.

- IEEE SCET SB has received multiple official certificates validating its:
- Excellence in event organization and execution
  - Contribution to technical and professional development
  - Active participation in IEEE India Council initiatives
  - Commitment to innovation and community impact

### Outstanding Student Branch Award 2025

Presented at IEEE INDICON 2025 (INDIA COUNCIL)  
Recognized at one of IEEE's premier international conferences for exceptional performance, impactful initiatives, and strong student leadership.

### Best Student Branch – 2025

Awarded for outstanding performance in technical excellence, large-scale event execution, and leadership impact, IEEE SCET SB continued to set new benchmarks with impactful initiatives and strong member engagement.

### Special Mention Award – 2024

Appreciated for remarkable efforts in event execution, innovation, and community engagement, highlighting the branch's continuous improvement and commitment to excellence.

### Best Student Branch – 2023

Recognized for consistent growth, innovative technical programs, and active student participation, showcasing the branch's dedication towards building a strong and collaborative IEEE community.

### Best Student Branch – 2022

Honored for laying a strong foundation through high-quality events, teamwork, and enthusiasm, marking the beginning of IEEE SCET SB's journey towards excellence.

## Grants & International Funding

- \$2940 – IEEE SPS Seasonal School Funding
- \$1000 – IEEE VTS SBC Funding
- \$360 – IEEE MGA Student Rebate
- \$250 – HTA Funding (SIGHT)
- Myosa Kit worth \$500 granted to students

**Demonstrates strong proposal capabilities and international recognition.**

## Flagship Initiatives

- Seasonal School on AI-Driven Imaging
- Data Science Challenge (DSC Series)
- Power of Pink 3.0 (WIE Initiative)
- GYAN 2.0 / 3.0
- SAW 3.0 / 4.0
- IEEE Day Celebrations
- SPARK IT UP 2.0 (STEM Outreach)
- IDEATHON & CREA-TECH
- Robo League & Datathon

## Domains Covered

AI & Innovation | IoT | Drone Tech | Nanotechnology  
Wearables | Deepfakes | Vehicular Tech | Emerging Computing

## Student Leadership Impact

IEEE SCET SB members are selected for prestigious IEEE roles such as:

SSR (Student Section Representative)  
SCR (Student Chapter Representative)  
ACEI Student Lead

We nurture technically skilled, globally competent future leaders.

## Contact & Presence
