About Event: The IETE Women's Day Celebration was organized by the IETE SCET ISF in association with the Institution of Electronics and Telecommunication Engineers to celebrate International Women's Day. The event included engaging activities—Tech Tambola which encouraged participants to showcase their technical knowledge, creativity, and teamwork. The activities created an interactive and enthusiastic environment, making the celebration both enjoyable and meaningful for the participants.

Schedule of Event:

- 11:00 AM Welcome and introduction of Event
- 11:05 AM Explanation of rules for Tech Tambola
- 11:10 AM Start of Event
- 12:00 PM Winners felicitation and photo session

Key Highlights of the event:

- Celebration of International Women's Day through a fun technical activity.
- Tech Tambola, a creative technology-based game.
- Active participation IETE members with interactive question answers for finding words.
- Winners for Jaldi Five, Lines and Full house.

- The event encouraged interactive learning and technical engagement among students.

Major Outcome:

The event successfully created an engaging environment where students could enjoy learning technical concepts in a fun way. It also encouraged participation in IETE activities and highlighted the importance of celebrating women's contributions in the field of technology.

Participants Feedback:

Participants appreciated the innovative concept of Tech Tambola, as it combined technical knowledge with entertainment. Students found the activity engaging, interactive, and refreshing compared to traditional technical events. Many participants expressed interest in attending similar fun-based technical events in the future.

Event Flyer

The flyer features a light pink and yellow background with a circuit board pattern. At the top, there are four logos: Sarvajanik Education Society, IETE, Sarvajanik Engineering College, and Sarvajanik University. Below the logos, the text reads: "Sarvajanik College of Engineering & Technology, Electronics and Communication Engineering department, (Re-Accredited by NBA, New Delhi for 3 yrs, w.e.f 1 July 2022)". The main title is "IETE WOMEN'S DAY CELEBRATION" in large blue letters, followed by "in association with WDC cell, SCET". A central orange circle contains the word "EVENTS" and lists three activities: "Tech Tambola", "Build with Purpose", and "Pass the Plot". Below this, three boxes provide details: "Date: 7th March, 2026", "Venue: EC AV Room", and "Timings: 11:00am - 1:00pm". A section titled "Win Exciting Prizes" states "Free for IETE Members & 50Rs for non IETE Members" and "E-Certificates will be provided". At the bottom, there are two coordinators: "Student Coordinator" (Desai Yasvi, 9327004706; Pranitha Sunkara, 6353124495) and "Faculty Coordinator" (Prof. Nehal Shah). A QR code is located between the coordinators' names.
