IDEA PITCHING

Held On
4th January, 2025

Organized by
SSIP, SCET

Co-ordinated By
Dr. Kaushika Pal
Dr. Manisha Vashi

Objective of the Event.

The college-level idea-pitching event serves as a dynamic platform for students to present their **innovative ideas and startup concepts**. It fosters **creativity, collaboration, and problem-solving skills**, equipping participants with the confidence to articulate and refine their visions effectively. Beyond just a competition, the event offers an opportunity to **secure funding and essential resources**, empowering students to transform their ideas into **real-world solutions with meaningful impact**.

The poster is for the Sarvajani Education Society's SSIP (Student Startup Initiative Program) Idea Pitching Round 1. It features a central illustration of a man in a blue suit and yellow tie shouting into a megaphone. The background is a mix of yellow and dark blue. The text is in various colors and fonts, including a large 'SSIP' logo and 'IDEA PITCHING Round 1'. It includes a QR code for registration, a template QR code, and event details like time, date, and location. Logos for Sarvajani University and Sarvajani College of Engineering and Technology are at the top.

Event in Brief:

- The SSIP Idea Pitching Event at SCET was a resounding success, showcasing the creative potential of young innovators. The event saw 19 teams registering, out of which 11 teams actively participated in the pitching session.
- The atmosphere was electrifying, filled with exciting ideas, lively discussions, and enthusiastic networking opportunities. Attendees engaged in a variety of activities, including watching teams present their pitches, exploring innovative prototypes, and participating in insightful panel discussions led by industry experts and faculty members.
- The event served as a valuable platform for students to connect, collaborate, and bring their entrepreneurial visions to life in a supportive and encouraging environment. The ideas presented were nothing short of extraordinary, reflecting a high level of creativity, problem-solving, and innovation.
- The panel of judges, comprising experienced professionals and academicians, were thoroughly impressed by the originality, feasibility, and market potential of the ideas.
- Beyond fostering innovation and entrepreneurial spirit, the SSIP event paved the way for future growth and collaboration within the college community. It inspired participants to think beyond conventional boundaries and push forward with their ideas.
- Five teams qualified for the second round of the Idea Pitching competition, which will be hosted by Sarvajanic University (SU).
- The SSIP Idea Pitching Event at SCET was not just a competition but a celebration of creativity, collaboration, and entrepreneurial passion, reinforcing the institution's commitment to nurturing future innovators and change-makers.
- Department wise team who participated in Idea Pitching held on 4th Jan, 2025.
