A Report On

***A Talk on- Opportunities for Instrumentation & Control Engineer - Industries, Start up and Entrepreneur - at L.D. High School, Sachin.***

**Date : 10<sup>th</sup> June, Saturday, 2023.**

**Time : 11:00 a.m. to 1:00 p.m.**

We have been invited by principal Nilesh Joshi- L. D. School, Sachin to deliver a talk on above topic. Dr. Utpal Pandya, Dr. Tejal Joshi and Shri A. J. Pansara- Retired Chief Manager-Instrumentation Engineer, KRIBHCO have discussed above topic with around 42 science students of L. D. School.

After opening remarks by Principal, Shri Nilesh Joshi, Mr. A. J. Pansara has shared his journey as an Instrumentation engineer and scope of it in various industries. Prof. Utpal Pandya has given a presentation on “What is Instrumentation & What is Control” with few examples of devices/ equipment used by human in day to day life. Prof. Tejal Joshi has given demo of robots and few sensors. Students are very excited to see the working of robots and see the sensors which are used in day to day life.

We have invited science students of 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> class along with their parents and teachers to visit SCET to know more about the core engineering branches, job profile, scope, infrastructure at SCET, etc.

Few glimpses of educational tour to I & C department is shared herewith.

Felicitation of Shri A. J. Pansara by Principal Shree Nilesh Joshi

Presentation by Dr. Utpal Pandya - HOD I & C about Instrumentation and Control Engineering

Discussion with students
