About the EVENT

Sarvajani University organised Carnival to involve the students of all constituent colleges in one grand scale program at the University campus and to orient school students and citizens of Surat with the Sarvajani University and its colleges by organizing cultural and academic activities and events in Carnival. In this regard being the Institute Innovation Council Cell (IIC-SCET), Student Start up and Innovation Cell of SCET, SU had kept one stall at the Carnival for motivation and awareness among the student community for functionality of StartUp, IPR, Innovation and Entrepreneurship. Different activities were planned and student volunteers were core part of the organizing, managing the event for both days.

Objective with Summary of Activities planned for Event

1. The Awareness of Student StartUp Activities among the various college and school students, school teachers and citizens of Surat city and district.
2. Summary of Idea Pitching event Organized by SSIP-Cell, SCET giving the motivation to other students for their path planning.
3. The questionnaires' prepared to encourage school and college students for connect with SSIP-Cell.

4. Different games based on intellectual were carried out by student volunteers for the learning by doing purpose.
5. The startUp Idea Pitching competition was organized under which students of all constituent colleges of SU were encouraged to float their solution for the specific problem.

The cell could gather good number of inquisitive participants who showed interest in sharing their inclination related to entrepreneurship and Innovation in Business. We could make our audience aware of different stakeholders of Business. It was very well responded two days program and a learning experience for Organizers and student volunteers.
