Report for a Meeting on
“IIC Regional Meet 2023”

Date: 27th December 2023

Venue: Gujarat University, Ahmedabad

In association with
Institution's Innovation Council (IIC), SCET

Introduction

The Regional Meet of Institutes Innovation Councils (IICs) provides a platform to different educational colleges and institutions to get involved in various activities, take part in different discussions related to innovation, entrepreneurship, and collaboration which provides opportunities to excel in various domains through the framework provided by the Innovation Cell which is the initiative of the Ministry of Education, Government of India.

About Regional Meet 2023

The regional meet conducted by IIC offers platform to involve, and encourage the students and faculty members for active involvement in nourishing the ideas and thoughts related to innovation and entrepreneurship.

The regional meet organized by IIC focuses on the different agendas as listed below.

Knowledge Sharing: Institutions share their experiences, success stories, and best practices in fostering innovation and entrepreneurship among students.

Workshops and Seminars: Conducting workshops, seminars, and keynote sessions by industry experts, academicians, and successful entrepreneurs to provide insights into innovation, start-up culture, and emerging trends.

Networking: Facilitating networking opportunities for participating institutions to collaborate, exchange ideas, and form partnerships for future projects.

Showcasing Innovations: Showcasing innovative projects, prototypes, and research endeavours by students or faculty members from various participating institutions.

Participation Details:

Approximately 1000+ delegates from around 160 institutions attended the IIC regional meet 2023. Four faculty members from SCET participated in the meeting to involve in interaction with the Innovators and experts from different domains to enhance the further roadmap. The participant details are as below.

1. Prof. Dhruti Sharma, IT Department
2. Prof. Tejal Joshi, IC Department
3. Prof. Samip Shah, Mechanical Engineering Department
4. Prof. Ankit Patel, IT Department

Event Highlights:

Inauguration:

The meeting was chaired by the esteemed Chief Guest Hon'ble Minister of State, Primary, Secondary, and Adult Education, Higher Education, Govt of Gujarat, Shri Praful Pansheriya who shared his visions with the delegates.

The distinguished guests in the Technical and Higher Education Department Commissioner Shri Banchha Nidhi Pani, and two inspiring women leaders Gujarat University VC Prof Neerja Gupta & Gujarat Technological University (GTU) VC Prof. Rajul K. Gajjar, Deputy Director AICTE Dr Nikhil Kant, Assistant Innovation Director Shri Dipan Sahu, Shri Hiranmay Mahanta from IHUB

Display of IIC Institute Posters and the Start-up projects:

Various organizations showcased their different IIC activities through banners and posters which were placed in the viewing gallery. Many entrepreneurs who have started start-ups showcased their products and businesses in the start-up gallery.

Knowledge sharing Session:

This session demonstrated the various strategies for creating an Innovation Culture where the panel discussed various methodologies employed to encourage creativity and a culture of innovation among students and faculty. The session also witnessed the importance of mentorship program where the stories of successful mentorship models were discussed that has contributed to nurturing student entrepreneurship and innovation.

Conclusion:

The inclusion of SCET in the regional meet was very informative, providing valuable insights into the workings and significance of the IIC platform. Attendees gained a better insight for preparing the further roadmap of enriching the innovation and start-up ideas of the students and the staff members. Such meeting highly contributes to the college's commitment to promoting the motivation for innovation among its students and faculty members.

We express our heartfelt gratitude to the Provost, Principal, faculty members, and all the participants for providing us an opportunity to involve in IIC Regional meet which was memorable experience. As we look forward to the coming years, we aspire to continue this tradition of spreading knowledge on various domains of the nation with enthusiasm and dedication.
