## Objective of the Event.

The objective of an idea pitching event is to provide a platform for individuals, entrepreneurs, and innovators to present their creative and groundbreaking concepts. This event aims to facilitate the exchange of ideas, foster innovation, and catalyze collaboration by allowing participants to succinctly and compellingly communicate their ideas, their potential impact, and their unique selling points. By doing so, it enables innovators to receive valuable feedback, network with potential stakeholders, and potentially secure support, funding, or partnerships necessary for their ideas to become a reality.

The poster is for an 'IDEA PITCHING' event. It features a dark blue background with a stylized illustration of three people in a meeting. One person is standing and pointing at a large screen displaying a line graph and a pie chart. Another person is sitting at a desk with a computer, and a third person is standing and holding a tablet. The text on the poster includes the name of the organizing institution, SarvaJanik Education Society, and SarvaJanik College of Engineering and Technology, located in Dr. R.K. Desai Marg, Athwalines, Surat. It also mentions the SarvaJanik Innovation Council (SSIP) and the Institution's Innovation Council. The main title 'IDEA PITCHING' is prominently displayed in large white letters. Below the title, it states '1st DOOR TO GRAB UPTO 2.5 LAKH OF FINANCIAL SUPPORT FOR YOUR DREAMS!!!'. The event dates are '26th & 27th OCTOBER 2023', the time is '10:00 AM ONWARDS', and the location is 'NJ SEMINAR HALL'. A QR code is provided for more information. At the bottom, the names and contact details of the Faculty Coordinator (Dr. Kaushika Pal and Dr. Manisha Vashi) and Student Coordinator (Khushboo Jha and Preet Mehta) are listed.

## Event in Brief:

- The SSIP Idea Pitching Event at SCET was a resounding success, showcasing the innovative spirit and talent within the college community. There were a total of 26 teams registered and 23 teams participated in the SSIP idea pitching 1.0 event. The diverse range of ideas presented, coupled with engaging discussions and networking opportunities, contributed to a vibrant atmosphere of entrepreneurship. Attendees had the opportunity to witness dynamic pitches, explore prototypes, and actively engage in insightful panel discussions. The event provided a platform for students to connect, collaborate, and celebrate creativity in a collegiate setting, fostering an environment that encourages and celebrates innovative thinking.
- The ideas presented were mind – boggling ranging from topics such as Flowscape – New design of Swimming pools, Hydrogen production, Tech Languages app to Sensor based concrete monitoring, block chain technology and many more. Not only this, the prototypes that were presented were nothing but astonishing, it ranged from AI based CNC Machine to portable attendance system and Robotic hand for fruit picking. The jury members were thoroughly impressed by the quality and ingenuity displayed in the idea pitches, highlighting the exceptional nature of the presented concepts. The SSIP event has not only fostered a culture of innovation but has also laid the foundation for future collaboration and growth within the college community.
- 16 teams had cleared round 1 of Idea Pitching and were eligible to participate in Idea Pitching at University Level.
- Department wise team who participated in Idea Pitching held on 26<sup>th</sup> & 27<sup>th</sup> Oct, 2023.
