Report for a Celebration of
“Independence Day”

Date: 15th August 2024

Venue: SCET College Ground

In association with
Institution's Innovation Council (IIC), SCET
Students Council, SCET

Introduction

Our college's Independence Day celebration was a historic event that united staff and students in honor of our country's freedom. The Student Council assisted Institute in organizing the event, which sought to fortify a sense of solidarity and patriotism among the campus community.

About Independence Day

Every year on August 15, India celebrates Independence Day, commemorating the nation's 1947 liberation from British colonial authority. This day marks the end of a protracted and difficult war for independence that was spearheaded by well-known figures and liberation warriors. Beyond just a holiday, Independence Day is an opportunity to consider the principles of liberty, democracy, and solidarity that underpin the Indian country. It acts as a reminder of residents' obligations to further the advancement and prosperity of their nation.

Participation Details:

Attending the occasion were faculty members and students from different departments. There were around 150 students and about 100 staff members present for the Independence Day event.

Event Highlights:

Flag Hoisting Ceremony:

At the college field, a somber flag-hosting ritual marked the start of the festivities. The attendees felt a sense of pride and patriotism when they saw the National Flag flying high

overhead. The national song was playing in the background while the college principal, the provost of the university, and the retired employees of the institute hosted the national flag.

Inspirational Speeches:

Following the raising of the flag, Sarvajanic University's Chief Guest, Prof. Persi Engineer, gave a motivational address. He talked about his personal experiences and underlined how crucial it is to preserve democracy, freedom, and unity in our multicultural country.

Prof. Hiren Patel, the Principal, also spoke to the group, thanking the independence warriors and encouraging the students to make great contributions to society. On Independence Day, Principal Sir gave a brief overview of India's development over the previous several decades.

Cultural Performances:

The students portrayed India's rich cultural legacy through a series of enthralling performances. Students demonstrated a range of dance, music, and singing performances, emphasizing the variety and togetherness that characterize our nation. The performances were met with enthusiastic applause and added a touch of vibrancy to the event.

Conclusion:

Our college's Independence Day event was a huge success and had a long-lasting effect on everybody who took part. In addition to honoring our nation's independence, the occasion strengthened the sense of patriotism and solidarity within the undergraduate population. The event was made unforgettable by the organizing committee's efforts and the engaged involvement of the students and professors.

We express our heartfelt gratitude to the Provost, Principal, faculty members, and all the participants and students for making this Independence Day celebration a truly memorable and meaningful event. As we look forward to the coming years, we aspire to continue this tradition of celebrating our nation's freedom with enthusiasm and dedication.
