About the EVENT

Institution's Innovation Council (IIC) program is initiative of Ministry of Education (MoE) through MoE's Innovation Cell (MIC) in collaboration with AICTE for Higher Educational Institutions (HEIs) to systematically foster the culture of innovation and start-up ecosystem in education institutions. With this objective Institution's Innovation Council (IIC), and Department of Information Technology of Sarvajanic College of Engineering & Technology has organized a motivational session by a young innovator Mr. Aashrut Waghani 21 September, 2023. The session is organized for the UG students to represent the case study of a young innovator Mr. Aashrut Waghani. Aashrut is an alumni of IT department, SCET. He has graduated in June 2023 from IT dept, SCET. During his tenure of SCET, we found him as a very brilliant student. He likes to work on real-world projects and contribute to open-source communities. He is a part of the Microsoft Student Partner program since 2020. He was selected for Amazon ML Summer School 2022. He has worked on various projects like Sentiment Analysis System, Event Management System, and Agent Crop, a Crop Disease Detection and Cure Suggestion System which has recently become the part of Microsoft for Startups Founders Hub.

Key Points / Topics of Session

1. Startup Journey
2. Discussion on various student programs available worldwide
3. Free Cloud Services
4. Sponsorship Programs
5. Practical Demo of his own startup (Crop Disease Detection and Cure Suggestion System)
6. Question- Answer Session

Summary and objective of Activities planned for Event

1. Represent the Case study of startup (Crop Disease Detection and Cure Suggestion System).
2. How to identify a problem, research and getting solution, overcome the issues and challenges.
3. To spread awareness about various student programs, sponsorship programs and open-source soft wares as well as free cloud services available world-wide.

Outcomes of Workshop

The workshop had gathered good number of participants who showed interest in sharing their inclination related to startup and Innovation. Students discuss many fantastic intelligent question to Mr. Aashrut for their StartUp idea. Mr. Aashrut has given assurance to provide necessary help regarding technical issues which may arise during implementation for any new concepts by the students.
