## About the Event

Institution's Innovation Council (IIC) program is initiative of Ministry of Education (MoE) through MoE's Innovation Cell (MIC) in collaboration with AICTE for Higher Educational Institutions (HEIs) to systematically foster the culture of innovation. With this objective Innovation Council, SCET and R&D Cell, SCET has organized an event for Institution's Innovation Day on 18<sup>th</sup> October, 2023 (3:00 pm – 5:00 pm). The event was organized for the UG students to guide and motivate them towards book reading on entrepreneurship and innovators lives. In Today's digital era, very few students having reading hobby. To motivate the students to read books on Autobiography or on life and struggles of an innovator, the cell has organized the event. Before ten days, students were communicated about this event with the example list of books they can read about.

Students were asked to pick any book from this inspiring list of autobiographies by innovators:

They could also choose a Book of their choice Apart from the list.

1. "Vikram Sarabhai (PB): A Life"
2. "Great Scientists and their Discoveries"
3. "ISRO Magnificent Women and their Flying Machines"
4. "Elon Musk: Tesla, SpaceX, and the Quest for a Fantastic Future"
5. "Engineer to Win by Carroll Smith"
6. "She Engineers: Outsmart Bias, Unlock your Potential, and Create an Engineering Career of your Dreams by Stephanie Slocum"
7. "Zero to One by Peter Thiel"
8. "The Innovators' DNA by Jeff Dyer"
9. "Power Play: Elon Musk, Tesla, and the Best of the Century"
10. "Ignited Minds by Abdul Kalam"

There were two rounds during event.

1. Writing a compelling book review.
2. Sharing an incident from the book that motivated you the most.

The event was started with a Welcome address by Dr Tejal Joshi followed by the felicitation of the jury, Dr. Kaushika Pal by flower and memento. This was followed by a speech by President Dr. Utpal Pandya regarding the importance of entrepreneurship. During First round students wrote the book review for 30-40 mins. Student were given guideline about points to include while writing the book reviews. They were instructed to include book and Author's name, Genre, the pages and other relevant details before writing the review about plot and their thoughts about book after reading.

And then they all came on stage for round 2 where they all spoke about the book they read, learning outcome from the book, and they narrated a good inspiring incident from the book.

### **Summary and objective of Activities planned for Event**

1. Motivate the students from the journey and life about the innovators and leaders entrepreneurship attitude.
2. Awareness and Scope of IIC under the SCET roof for the student.

### **Outcomes of Panel Discussion**

The event had gathered poor number of participants who showed interest in book reading due to many parallel activities in college. There were also few student who read any book other than academic subject's book first time. According to them such event should be organized. Winners were decided by jury Dr. Kaushika Pal who herself is a bookworm. Winners were given books in their prizes.
