Aspirants : UG students and faculty of Sarvajanik College of
Engineering & Technology, SCET
Accessibility : Open to all (Students/Faculty members)
Participated Entry : 160

About the Event

Institution's Innovation Council (IIC) program is initiative of Ministry of Education (MoE) through MoE's Innovation Cell (MIC) in collaboration with AICTE for Higher Educational Institutions (HEIs) to systematically foster the culture of innovation and entrepreneurship skills in professional. With this objective Innovation Council, SCET, SCET has organized a workshop on “Capacities Building for Professionals. The event was organized for the UG students with the objective of giving important tips for development of various attitudes and behaviour skills required in professional life. The expert of the session was Stuti Agrawal, who is a young enterprenuer/ founder of Prodigy Club and Toy Academy. Recently her startup Prodigy Club won the “Best Startup” award in a Impact Investors Summit at IIM Ahmadabad. She is a corporate Trainer also.

Two different programs were organized for Women’s Day Celebration at SCET college level and Sarvajanic University level.

In institute level program, the Women’s Day Celebration was organized by the SCET ISF in association with the Institution of Electronics and Telecommunication Engineers to celebrate International Women’s Day. The event included engaging activities—Tech Tambola which encouraged participants to showcase their technical knowledge, creativity, and teamwork. The activities created an interactive and enthusiastic environment, making the celebration both enjoyable and meaningful for the participants.

Schedule of Event:

- 11:00 AM Welcome and introduction of Event
- 11:05 AM Explanation of rules for Tech Tambola
- 11:10 AM Start of Event
- 1:00 PM Winners felicitation and photo session

Key Highlights of the event:

- Celebration of International Women’s Day through a fun technical activity.
- Tech Tambola, a creative technology-based game.
- Active participation IETE members with interactive question answers for finding words.
- Winners for Jaldi Five, Lines and Full house.

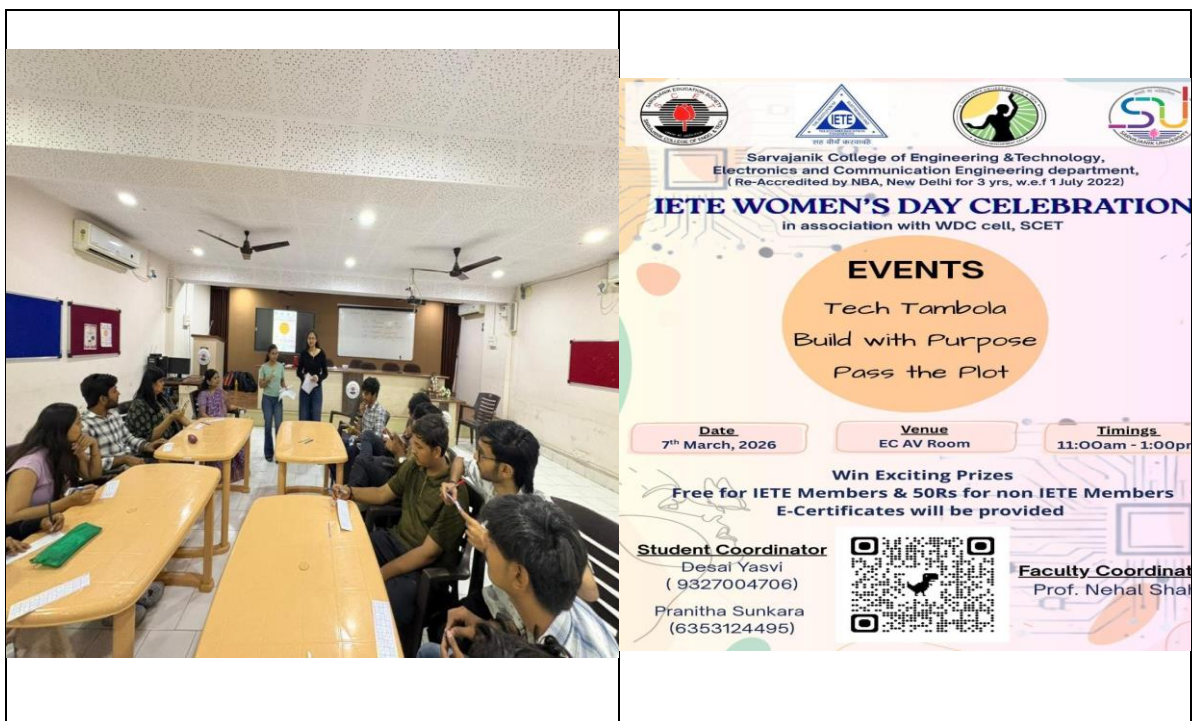

- The event encouraged interactive learning and technical engagement among students.

Major Outcome: The event successfully created an engaging environment where students could enjoy learning technical concepts in a fun way. It also encouraged participation in IETE activities and highlighted the importance of celebrating women's contributions in the field of technology.

Participants Feedback: Participants appreciated the innovative concept of Tech Tambola, as it combined technical knowledge with entertainment. Students found the activity engaging, interactive, and refreshing compared to traditional technical events. Many participants expressed interest in attending similar fun-based technical events in the future.

Photographs:

- 2) At University level, SAMATVAM – Equality, Respect & Empowerment was celebrated. SAMATVAM – Equality, Respect & Empowerment aims to promote gender sensitization by fostering awareness, inclusivity, and mutual respect among students, while encouraging critical thinking and creative expression on issues of equality and empowerment. It seeks to challenge stereotypes, unlearn biases, and inspire a more equitable and inclusive society. Two inspiring women leader of Surat city were invited to share their journey to current career peak point. Ms. Shraddha Shah shared her inspiring journey as a dancer, highlighting the significance of discipline, perseverance, and self-expression in achieving personal and professional growth. She beautifully articulated how art serves as a powerful medium for self-discovery, confidence building, and emotional strength, encouraging students to embrace their individuality and pursue their passions with dedication. Adv. Hiral Panwala delivered a compelling and insightful session focusing on legal awareness and self-advocacy. She emphasized the importance of being informed about one's rights and responsibilities, and the need to stand up with confidence in the face of challenges. Her practical insights and real-life perspectives provided valuable guidance, motivating students to become aware, empowered, and responsible individuals in society.
