EMPOWER HER

Organized by

Women Development Cell

Held on

12 MARCH 2K25

To Celebrate International Women Day

Coordinated by

Dr. Kaushika Pal

Objective

International Women's Day serves as a powerful reminder to celebrate achievements, advocate for gender equality, and address ongoing social challenges. It emphasizes the importance of unity, inclusion, and mutual respect, encouraging everyone to work together toward a world where every individual—regardless of gender—is valued and empowered.

To mark this meaningful occasion, the Women Development Cell (WDC) organized the EmpowerHer event. This initiative featured a series of engaging competitions designed not only to celebrate women's accomplishments but also to promote inclusivity, expression, and empowerment for all. It provided a platform for showcasing talents, sharing voices, and fostering a culture of support and inspiration.

Guided by the theme "Moving Forward Together," the event highlighted our collective commitment to equal opportunities, rights, and dignity for all genders. It aimed to spark conversations, build solidarity, and create an environment where everyone feels seen, heard, and uplifted.

2. Herstory Quiz

HerStory Quiz was a vibrant competition organized in honor of International Women’s Day, celebrating the theme "Icons of Inspiration." The event began with a powerful presentation where we shared stories of remarkable women from different fields—like politics, sports, business, history, and society—who broke barriers and inspired generations. These real-life icons motivated everyone with their journey of courage, resilience, and achievement. Following the presentation, we hosted an engaging quiz based on these influential women, testing knowledge and sparking curiosity. The event aimed to honor their legacy and encourage participants to draw inspiration from their impactful lives.

Wishing Women's Day to SCET Female Staff

In celebration of international Women's Day, the college undertook an initiative to recognize and honor the female staff members for their contributions, achievements, and dedication to the Institution. As part of this initiative, personalized greetings were prepared and distributed to each female staff member. The process began with compiling a list of all female staff members at the college. Personalized greetings were then crafted for each individual, On 7th March 2025 the personalized greetings were distributed to each staff member electronically through email. On 10th March 2025 we distributed the cards physically to all the female staff of each department.
