Under the banner of yoga club, SCET and WDC, SCET, a seminar was organized on the topic “Mantra Meditation(Hare Krishna) Spiritual Science or Blind Faith” on 11th October 2024. The event was coordinated by Prof. Nandkishor Joshi, Coordinator, Yoga Club, SCET and Dr. Kaushika Pal, Coordinator, WDC, SCET.

The seminar was delivered by eminent speaker Ms. Keshvi Gandhi, final year student of EC Dept. Ms. Keshvi Gandhi is connected with ISCON for past few years. She has done deep research on mantra chanting. She has miraculous experiences of mantra chanting and vast knowledge in the subject.

In India, many natural and pure sciences flourished and registered remarkable growth and development in ancient time. One of super science is spiritual science. It aims to provide a vision of the world as sacred and interconnected, and of human life as meaningful and purposeful. Ms. Keshvi Gandhi explained in her seminar that the science of mantras in spirituality is based on the idea that the eternal sound, or Shabda, has a great power. Mantra chanting is very effective in various aspects of life. The seminar ended with the rigorous chanting of “Hare Krishna” mantra.
