➤ **Title:** A Cleaner Production Awareness Programme

➤ **Objectives of the talk:** To give students an understanding of important aspects of Cleaner Production

**Resource Person:** Dr. Bharat P. Jain,

**Venue:** N J Seminar Hall

**Date and Time:** 4<sup>th</sup> December'2021

**Participants:** 3<sup>rd</sup> and 4<sup>th</sup> Year Chemical Engineering Students

➤ **Summary:**

The session of an expert lecture on “**A Cleaner Production Awareness Programme**” was organized by Department of Chemical Engineering, SCET.

Dr. **Vaishali Umrigar, Head, Department of Chemical Engg.** had commenced with welcome note along with brief introduction of the speaker. Prof. Srujal Rana presented a welcome bouquets to the expert.

Dr. Bharat Jain has total more than 44 years of Professional Experience in Environment Management. He had worked with Public Health Engineering Department, Government of Rajasthan and Gujarat. He had designed and executed number of water supply and drainage schemes. He has vast experience of planning of Industrial Estate with necessary infrastructure including STPs and CETPs. He was also involved in carrying out EIA Study. A former Chief Engineer of GIDC, at present he is working as a Member Secretary of Gujarat Cleaner Production Centre, involved in promotion of Resource Efficiency & Cleaner Production in the industries. At present, he is working on retrofitting of existing Industrial Estates into Eco-Industrial Parks.

After taking over the mike Dr Jain had begun the session by providing introduction of the topic. Then he explained the concept of Cleaner Production with several examples, Sir had also provided the detailed information about various important positive modification/changes taken place under his guidance while working with GCPC through case studies. In the last part of the session he had discussed about the right approach which every professional should carry in order to apply cleaner production in Industry which will help in mitigation of Environment related problems. All the students had enjoyed the talk and it was evident from the response during Q/A session.

Finally the session was concluded by Prof. Rashmita Patel by delivering a vote of thanks to the guest.

All the faculty members had participated in the event to encourage the students

## GLIMPSES OF THE EVENT

## ➤ Acknowledgements

The Chemical Engineering Department, SCET would like to acknowledge,

- **Managing trustees and office bearers of the Sarvajnik University**
- **Prof. (Dr.) Hiren Patel, Principal, SCET**
- **Prof.(Dr.) Vaishali Umrigar, Head, Chemical Engineering Department**
- **One and all** for their direct or indirect support
