Mann Patel

Club Mentor

Dr. Mehali Mehta

Head of the Department

Dr. Jigar Sevalia

Environment Club's mission -*Ingrain responsible attitude towards natural resources and sensitize students and community towards the same*

In alignment with this mission, club organised an article writing and a short video as a part of the celebration of Earth Hour – 2022. The event was held at the Geotechnical Engineering Lab, Civil Engineering Department on March 25, 2022 at 11 AM.

Earth Hour- *An hour for Earth and for us. Every year, at 8:30 PM on the last Saturday of March, supporters in over 190 countries and territories unite, taking action on and raising awareness of the issues facing our one home. But Earth Hour is more than just an hour for Earth - it's a movement for our own futures, for the benefit of people and planet. And it's not only a symbol of solidarity - it's a catalyst for change, harnessing the power of the crowd.*

Theme: **Save our Future**

Statistics of the responses received:

secretaries – Patel Chidanand & Patel Mann. The event was conducted in the august presence of HOD – Dr. Jigar Sevalia , club mentor – Dr. Mehali Mehta, faculty members, club members and other graduate and undergraduate students.

Out of all the submissions top five were shortlisted beforehand. Varun Gajjar and Jay Jhaveri were present to recite their article. Varun’s article on how negligence relating to environment can be harmful won Jury’s award for the best article. Jay’s article on future of our civilisation won second place and Nirav’s article on his personal steps to make a positive environmental impact won third place.

Award	Name	Branch	Year
Winner	Varun Gajjar	Civil	2
1 st Runner Up	Jay Jhaveri	ME - TCP	1
2 nd Runner Up	Nirav Vekariya	Mechanical	2

Dr. Jigar Sevalia delivered the closing remarks and shared his valuable insights on how it is crucial to start taking actions for a better future. This was followed by healthy student – faculty interaction about the gaps in the system and how to draw solutions for the same. This brain storming session aided in faculty – student bonding.

Acknowledgement:

We acknowledge the Department, Environment Club Coordinator, Head of Department, Principal of College, Sarvajanic Education Society and Sarvajanic University for their inspiration and Support in organising such events.

Towards progressive civilization...
