A BRIEF REPORT ON INDUSTRIAL VISIT TO SUMUL INDUSTRIES

DEPARTMENT: Instrumentation & Control
FACULTY GUIDE: Tejal Joshi ,Bhavina patel
PREPARED BY: Tejal Joshi

The industrial visit to Sumul Industries was scheduled on 12th October, 2022 for all year students of I&C department. The students with faculties reached at 10:30 am at entrance of sumul dairy.

Sumul or The Surat District Co-operative Milk Producers' Union Ltd, which is now renamed as The Surat-Tapi District Co-operative Milk Producers' Union Ltd, is one among the 21 district unions which acts as manufacturing units of dairy products for Gujarat Co-operative Milk Marketing Federation Limited, the marketers of Amul brand of products.

HR representative addressed all students and faculties and gave small representation giving idea about all dairy products and production. The students were treated with cold drink-lassi from sumul.

The Instrumentation manager, Sumul Industries guided all students about job/role of instrument engineer in dairy. The students were explained PLC control system used in packaging of sumul industries. There was a good interaction among students with engineers in Instrumentation division. Instrument manager Mahendra Solanki received an appreciation letter on behalf of HR manager Bhupendrasingh from SCET IC faculties. Overall students were happy with the industrial visit. Few glimpses of industrial visits are shown here.
