National Science Day Celebration- 2k24

SCIENCE QUIZ and PRESENTATION

“Ask the right questions, and nature will open the door to her secrets.”
- C V Raman

**Organised by
Department of Applied Science and Humanities under
IIC Cell**

Faculty Coordinators of the event: Dr. Hema Surati (IIC Representative ASHD)

Every year in India National Science Day is celebrated on February 28th to commemorate the discovery of the Raman Effect by Indian physicist Sir C.V. Raman in 1928. The Raman Effect demonstrates the scattering of light, which was a groundbreaking discovery that earned Raman the Nobel Prize in Physics in 1930.

The theme for National Science Day 2024 was "**Indigenous Technologies for Viksit Bharat**"

To promote and encourage a fun way of learning among students, the Department of Applied Science and Humanities under the banner of IIC Cell, at SCET had organized "Science Quiz for the 1st year Engineering students. Quiz was taken via online mode. There was a presentation based on the theme of the science day.

It was scheduled as below:

Date: 28th Feb. 2024

Time: 2:30 pm to 4:30 pm.

Venue: Mech. Cad Lab., Humanities Lab., IC Lab. and IT. Lab., SCET.

In 30 minutes the participants had to solve 25 miscellaneous MCQs .

Total 90 students participated in the Science Quiz. Top 10 winners of the quiz presented on the various topics related to the theme of National science day 2024.

The event helped the students in identifying their capabilities and motivated them to learn and expand their knowledge. The presentation enhanced the inquisitiveness of the students thereby building confidence, mental prowess, and learning at the same time.
