UPDATES 2020

"UPDATES 2020" was held under **"KSHITIJ"**- a State level Tech Fest which has been providing a platform to foster and ignite the innovative minds since last 15 years.

2020- an year of mishaps with number of incidents happening accross the globe and despite the fact, following the safety guidelines, for the very first time in the history of Updates, we connected virtually. All the events were conducted online on different platforms. To our surprise we got handful of registrations, not just from our college but from all over the state.

The Students of Gujarat proved that "If you're determined to stand, nothing can move you." With the vision of creating technical excellence which imparts the best knowledge and skills to students, the Faculty of Computer Engineering Department is always ready.

To unveil latent talents of the students Updates is being conducted since 2002. It's **"BY THE STUDENTS AND FOR THE STUDENTS"**. Various events are organised and conducted by the students under faculty supervision promoting inter-personal skills. This experience helps learn the real management of resources and leadership, it encourages number of young minds and gives a way to rediscover themselves.

The Tagline of UPDATES 2020 was "**Let's Connect Virtually**". Each event was virtual, making it feasible to the student's from other institutions as well. The Fest comprised of 9 Technical-Events and 3 Non-Technical Events.

ABHIVYAKTI

Abhivyakti was an event that enhanced intellectual and critical thinking skills. This competition gave exposure to various challenges focused on Human interaction skills, such as having a good conversation, putting one's point in front of everyone and problem solving.

Round 1- The first round of the event included a quiz round which consisted questions based on critical reasoning, Riddles and Brain teasers. The quiz was enabled live using SCET Moodle link, whose ID password and instruction set was shared to the registered participants via mail as well as using WhatsApp.

Round 2- For the second round a DEBATE SESSION was held amongst the teams on priorly provided topics. Each round of debate was of about 20 min which also included REBUTTAL. There was a first-rate participation in this round.

Round 3- For the third round, we organised PODCAST TALK for the finalists. Each team had showcased their podcast talk for about 10-15 min and were evaluated for it.

This event had a total of 59 Teams Participating. The Winners of this Event are-

Rank	Name	Department	College
1st	Shailja Patel	CO(M) 2nd Year	SCET
	Avik Dube	CO(E) 2nd Year	SCET

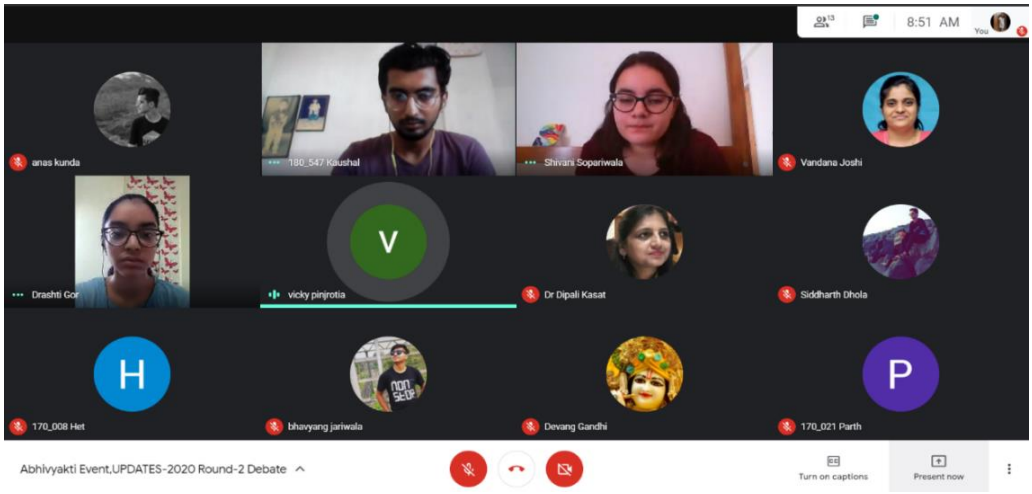
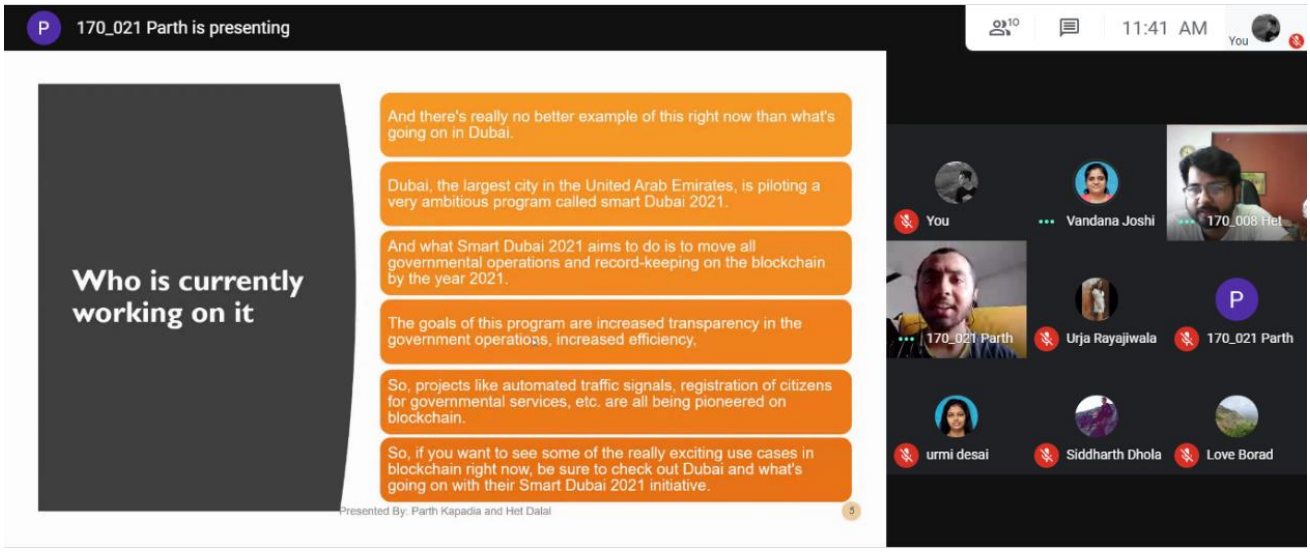
Round 1- Meet to Solve Participant's Issues. (Quiz held on Moodle)



Round 2 - Debate



Round 3 - Participants conducting a Podcast talk on 'Blockchain'

INNOTECH

This event was basically related to innovative or business or any start-up ideas. In this event the participants got a platform to present any innovative ideas that they had, may it be in terms of any innovative business idea or any unique project that they have in their mind. Here, we collaborated with the company Leafdrive.com who judged the ideas considering all criteria's including innovation, uniqueness, feasibility, sincerity of the participants towards the project. First two winners were given a trophy from company.

Total 86 Teams Registered in this Event.

First round was based on idea pitching. Participants submitted abstract idea in the form of pdf. Based on that idea they were shortlisted for second round. In second participants has presented their ideas to jury members virtually. Participants were made to explain that if 1,00,000 rupees were given to them by the company how would they divide and use it effectively. Third was Marketing round. Participants had to market their ideas by making attractive posters or videos.

Winners of this event were-

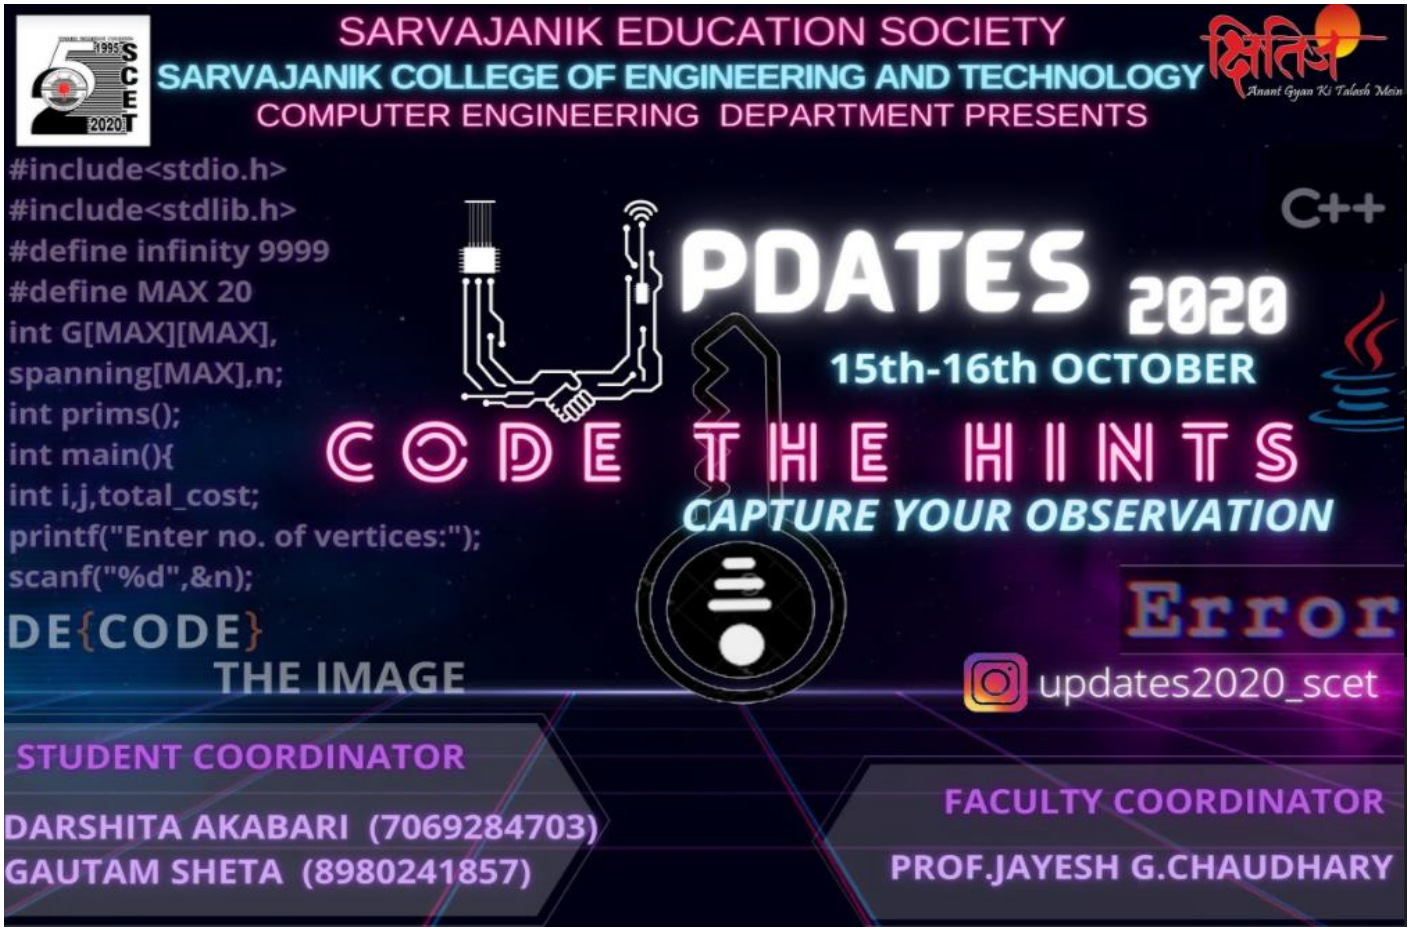
CODE THE HINTS



Code The Hints was all about enhancing observation skills. It was an interesting event that got wonderful reviews. Who doesn't love decoding things, we all have a hidden detective within us. It was like a game where coding was too simple but what mattered was your fine observation. This event was a single round event, Observe the images, Collect the Hints, and then Code.

This event got a total of 245 registrations. The Winners of this event were-

Rank	Name	Department	College
1st	Rohit Jangid	CO 3rd Year	GEC, Dahod
2nd	Harshil Modi	CO(M) 3rd Year	SCET
3rd	Sanket Vaghela	CO(E) 2nd Year	SCET

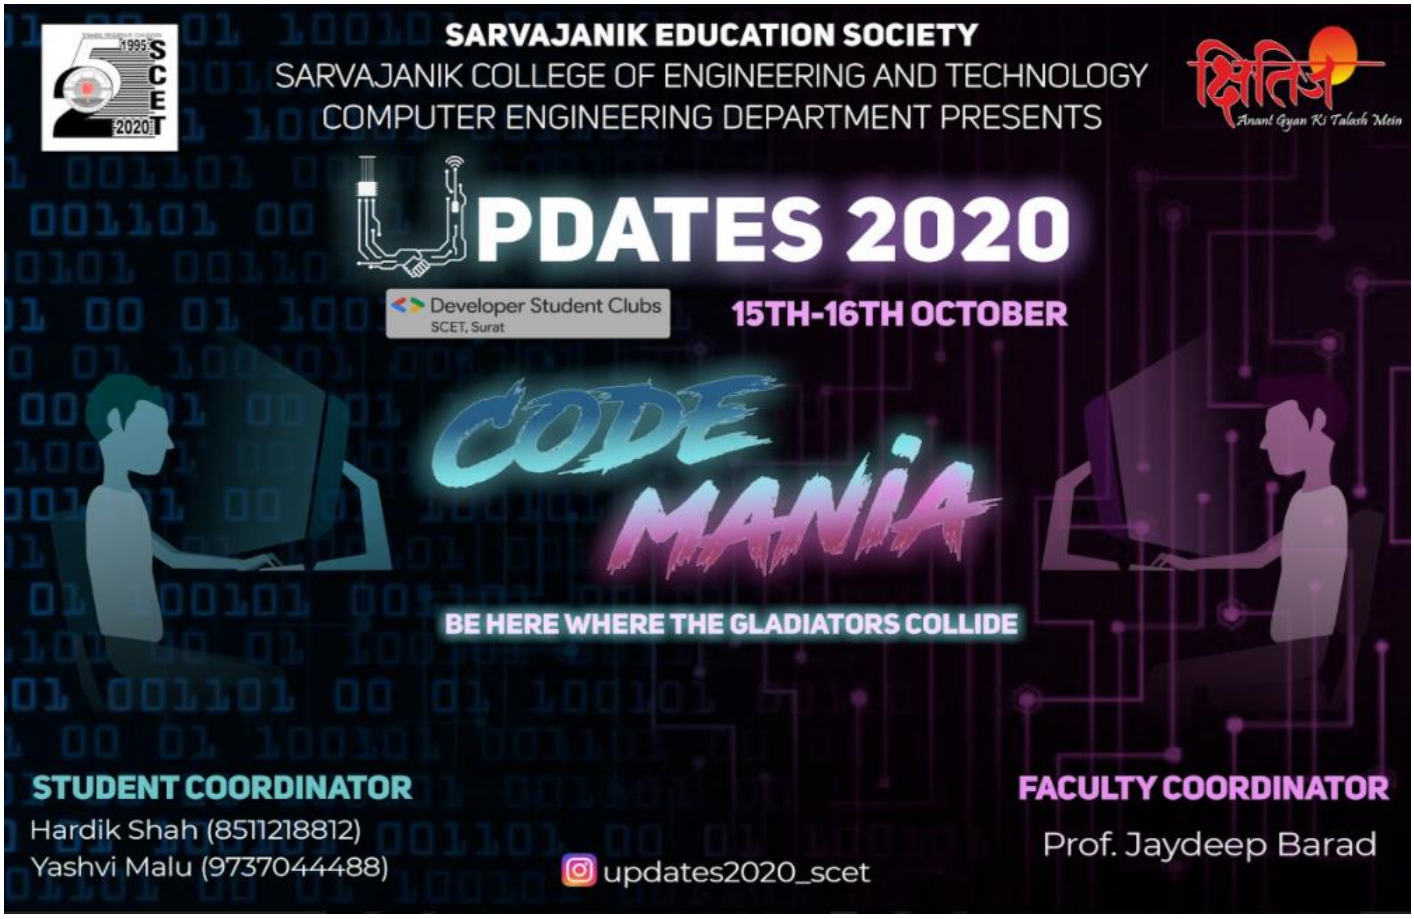
CODE MANIA

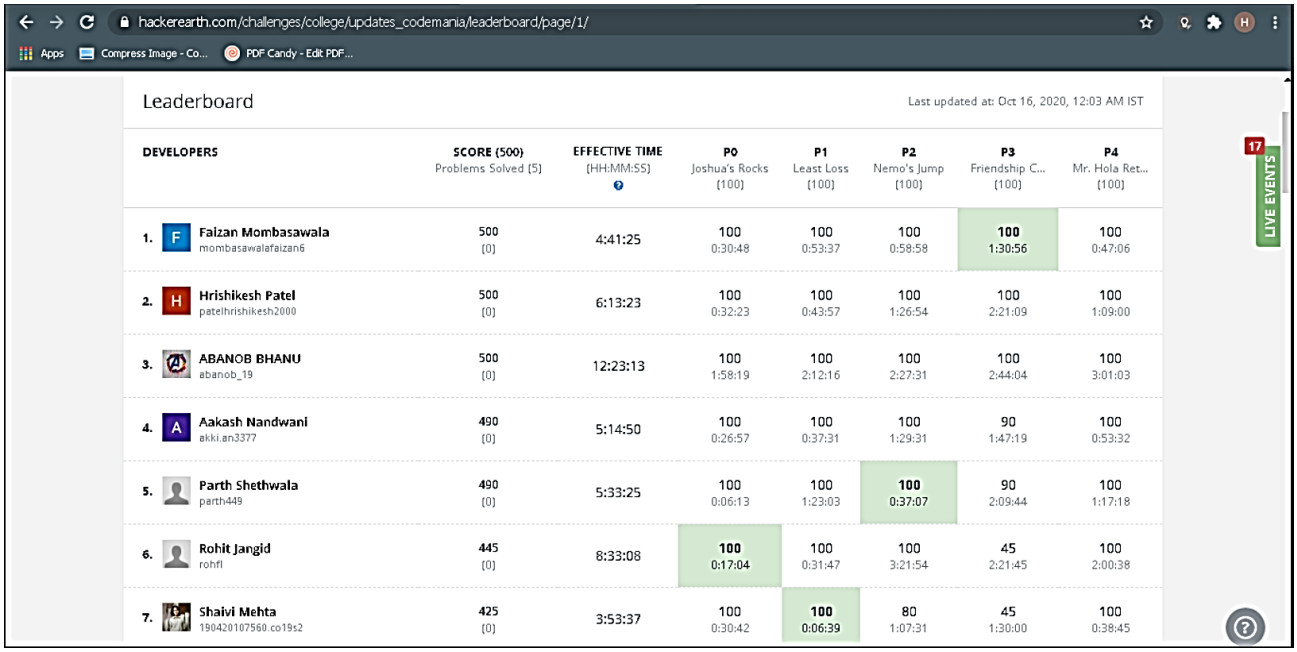


It was a competitive coding event where participants given questions to be solved within 4 hours and the one with the highest score and the lowest time in case of a tie wins.

The questions are to test your logical thinking capabilities. It was a very close competition with just a gap of 10 points in between the winners. It was conducted on Hacker Earth.

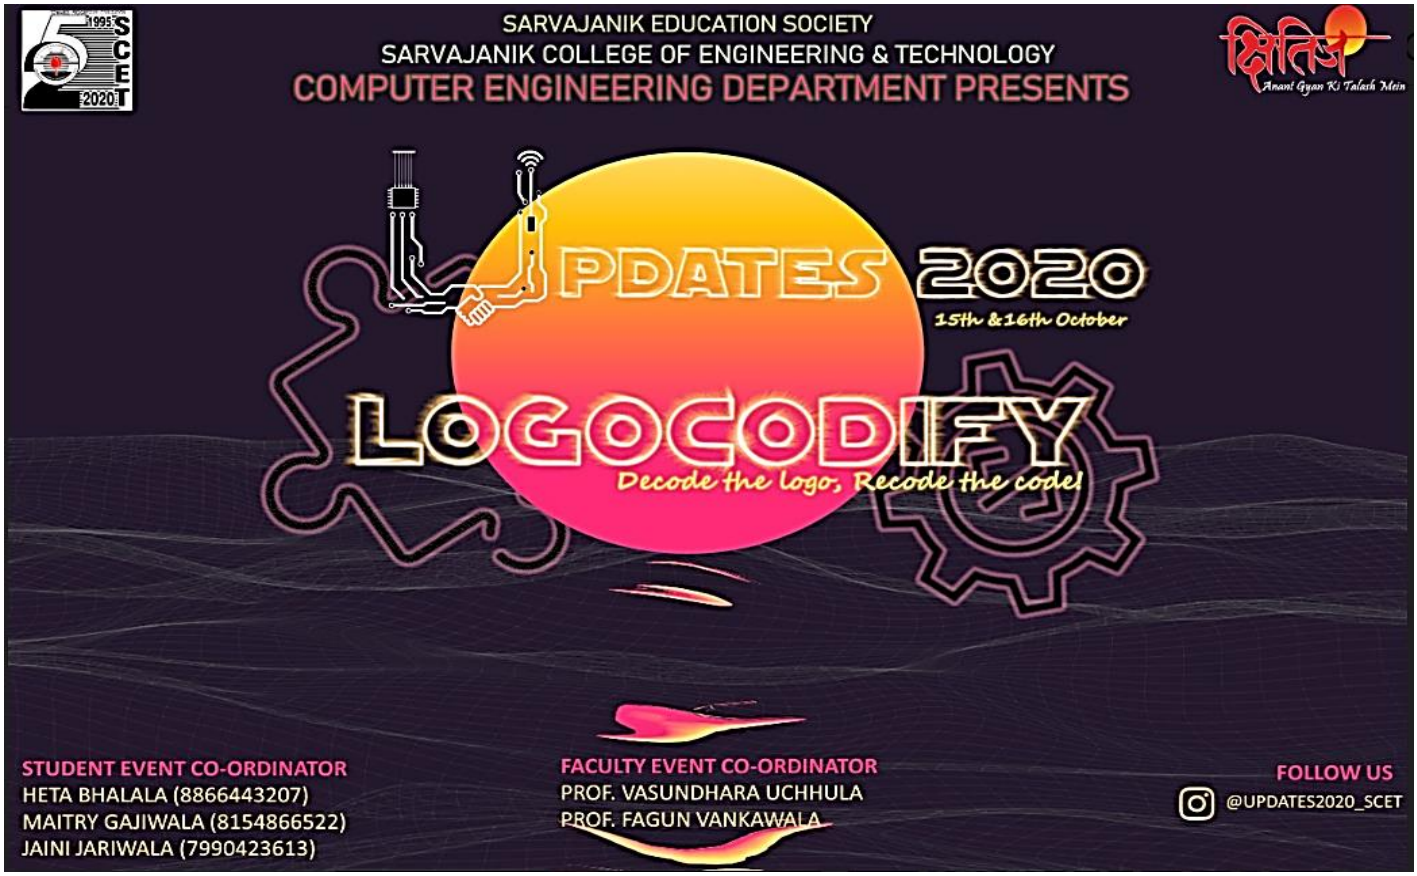
Total Registration Received are 170 in this event. The Winners of this event were-

Rank	Name	Department	College
1st	Hrishikesh Patel	CO(E) 3rd Year	SCET
2nd	Bhanu Abanob	EC 2nd Year	SCET
3rd	Parth Shethwala	CO(M) 4th Year	SCET



This Screen Shot was taken during the event, the end leader board image differs.

LOGO CODIFY



Logo Codify had two rounds:

Round 1- In the first round, participants combined the broken pieces of logo and noted the matrix containing numbers written over the broken pieces. They then have searched and highlighted this matrix in a much bigger table given at the end and they also typed in the name of the logo in google forms.

Round 2- In the second round, participants shortened the length of given code while keeping the given input and output same.

This event had a total of 219 Registrations. The Winners of this event were-

Rank	Name	Department	College

SCAVENGER HUNT

With all the technical events happening, around the corner, we decided to lighten up the environment through our non-technical event “Scavenger Hunt”. The idea was to present the participants with puzzles, they had to solve it and then click pictures of the object that were easily accessible at home. To our surprise, we got an overwhelming response by everyone and feel pride in sharing that we had the “Maximum registrations for an event” with more than 400 registrations and nearly 300 participants in Updates 2020.

The winners of Scavenger Hunt were-

Rank	Name	Department	College
1st	Harsh Torani	IC 3rd Year	SCET
2nd	Nirav Rangapariya	IT 3rd Year	SCET
3rd	Utsav Kanani	CO(M) 2nd Year	SCET

Acknowledgement

We, the Updates' Team would like to express our deepest appreciation to all the Student coordinators, Faculty and student Event Coordinators, Volunteers and staff members, Lab Assistants, Peons as organizing an event online like Updates 2020 is a task which required combined efforts and vision. We also express our heartfelt gratitude to the enthusiastic students who participated in this fest.

Without the enthusiastic support from Technical Team, Design Team, VFX Team and the Marketing Team, this event won't have been a memorable success. Successful execution of any event asks for synergy and we got it.

We thank Dr. Hiren Patel, Principal, SCET for his continuous guidance and motivation in organizing Updates-2020.

We would also like to thank Prof.(Dr.) Pariza Kamboj, HOD-Computer engineering, for her constant support and encouragement and providing opportunity to organise an event.

We also thank DEAN of SAWC, Prof.(Dr.)Keyur Rana for the for the kind motivation, guidance and support.
