COIN 2021

(17th – 18th September)

Organized by

INSTRUMENTATION AND CONTROL DEPARTMENT

UNDER THE BANNER OF

KSHITIJ

Date of the event: 17th -18th September, 2021

Faculty coordinator: Prof. Dr. Bhavina Patel and Prof. Nandkishor Joshi

Student coordinator: Jugal Ijardar and Trusha Patel

COIN 2021 was held under KSHITIJ- a State level Tech Fest which has been providing a podium to showcase and enhance the technical skills of the innovative engineering minds since last 15 years.

COIN, a departmental event of Instrumentation and Control Department is conducted annually by the students of the department under the guidance of the faculty members in order to enhance the event management, communication and leadership skills of the students.

This year COIN consisted of various technical and non technical events and had a participation of total 965 students of different branches and different year.

Coin 2021 was divided into two main categories of events:

➤ TECHNICAL EVENTS

- Abhivyakti
- Mock placement
- Know your circuit
- MathJetSs
- Quiz-e-bee

➤ NON-TECHINICAL EVENTS

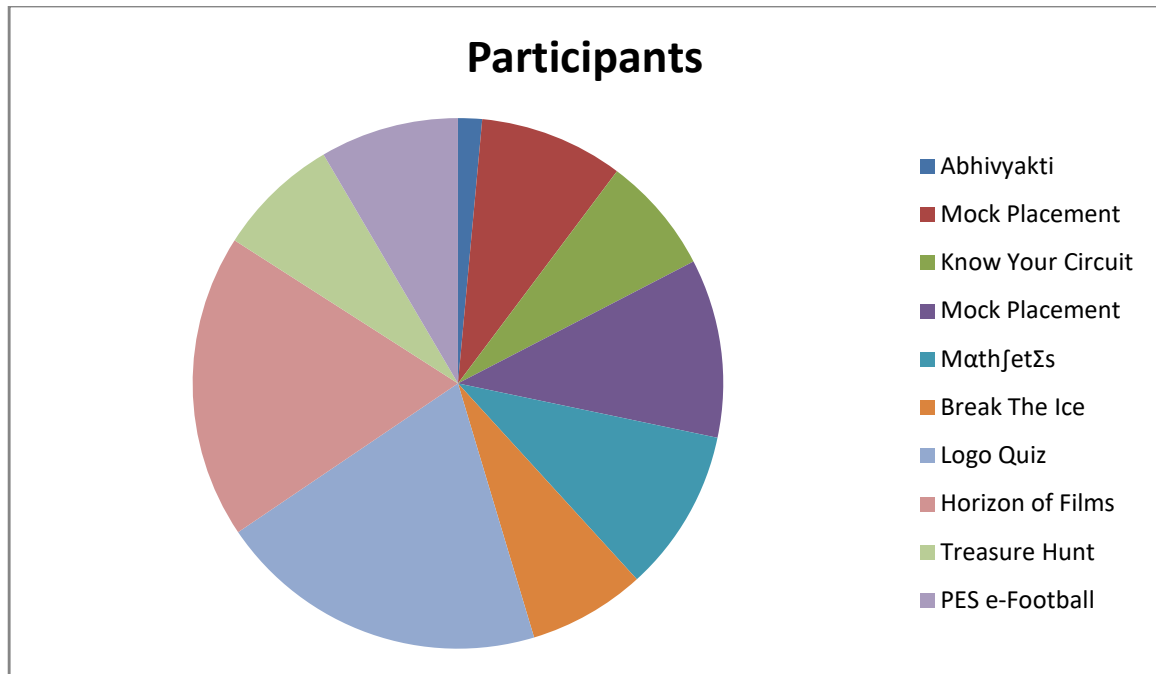

- Break the ice
- Logo Quiz
- Horizon of films
- Treasure hunt
- PES-e-football

Like every year, COIN 2021 started off with all the zeal and zest. The fest began with the inauguration ceremony wherein all the faculty members, student coordinators, event heads and volunteers were present to take the blessing of the god.

[illegible]

REGISTRATIONS PER EVENT

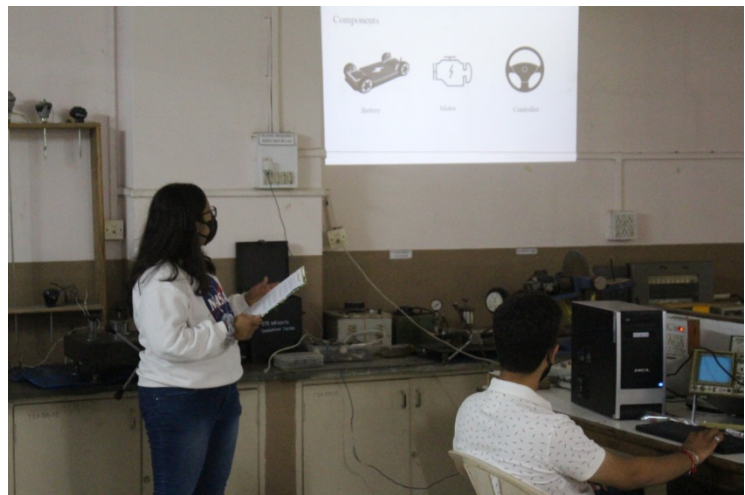

ABHIVYAKTI

Abhivyakti was an event that strengthens the presentation skills. It provided students a platform to show their soft skills and knowledge on given topics. It also made them confident about themselves.

Certain topics were given beforehand and the participants had to choose from that and present it in around 10 to 12 slides their ideas and views. They were given 10 minutes to complete their topic and presentation.

This event had participation of 9 teams in group of two. The Winners of this event

1. Darshil Gandhi and Jay Patel from IC 2nd year
2. Shubham Shah and Dev Desai from IC 2nd year

MOCK PLACEMENT

Round 1- (Nous Test)

The total 54 participants appeared in the aptitude test based on mathematical, reasoning and technical competencies. The test consisted of 30 questions and 35 minutes were provided to solve those questions.

Round 2-(Round Table)

In this round, a contemporary topic was provided. Selected 10 participants from round 1 had a group discussion on a given topic. The aim of this round was to assess the thinking capability, articulating skills and communication competency of the candidate.

Round 3-(HR-Tech Confab)

5 participants that cleared round 2 were interviewed. HR and Technical Interviews were conducted separately by the experienced judges to test their crucial competencies.

Winners:-

1. Rahul Modi from Mechanical 4th year
2. Rama Gham from IC 2nd year
3. Ansh Shah from Electrical 3rd year

KNOW YOUR CIRCUIT

KYC was an event beautifully sketched for all the aficionados who are inclined towards transcending into the field of circuitry. It was technical event which consisted of 3 rounds. 22 teams had participated in this event in group of two.

Round 1- (Quizophile)

First round had quiz of basic circuit questions. 15 minutes were given for solving the questions.

Round 2- (Logic Meri Jaan)

In this round, questions were asked based on digital electronics and logic gates. 10 teams were selected for round 2.

Round 3-(Surprise Round)

This round included circuit implementation with some twist and 10 minutes were given for the same.

Winners:-

1. Dishang Patel and Kenil Patel from IC 2nd year
2. Harshit Surti from IC 3rd year and Karan Soni from EC 3rd year
3. Dev Makadiya and Priyank Pipaliya from IC 4th year

MαTHJETS

It was an event for math enthusiasts containing a quiz followed by a game of housie but with a little twist in tail. It was a technical event of 2 rounds-

Round 1- (Math π rates)

In 1st round there were total 25 questions on basic engineering mathematics and 30 minutes were given to solve those questions. We had 67 participants in total.

Round 2- (Housieque)

In this round housie was played with a twist, where 12 selected participants had to find the number on housie tickets by solving math questions mentally.

Winners:-

1. Afsin Saeed from IC 3rd year
2. Mayank Mehta from IC 4th year
3. Harsh Torani from IC 4th year

QUIZ-e-BEE

It was an event designed especially for the bees processing hobbies in vocabulary building. It consisted of 2 rounds.

Round 1-(Cast a spell)

It consisted of quiz with jumbled words, sentence formation and spelling correction questions. There were total 61 participants in total.

Round 2-(Kal ka Shashi Tharoor)

Out of the total participants, 12 participants got selected where they had to spell the word based on the pronunciation of that word and also they had to guess the country from emojis.

Winners:

1. Mariya Tohfafarosh from IC 3rd year
2. Kushin Patel from IC 2nd year
3. Ansh Shah from Electrical 3rd year

BREAK THE ICE

This event was specially organized to push our participants out of comfort zone. It consisted of 2 rounds. Total 44 participants had registered for the event.

Round-1(Snowball Quest!!)

In the first round, participants had to write three things about themselves on a paper and asked to crumble up the paper which resembled a snowball then the participants had a snowball fight and after that they had to guess the person based on the qualities written on that paper.

Round-2(Surprise Round)

It was a surprise round in which song's lyrics were written in one line strips and distributed among the participants, they had to arrange themselves according to the correct lyrics of song and the first team to lineup in correct lyrical order was considered as winner.

Winners:-

- Darshil Gandhi from IC 2nd year
- Dishang Patel from IC 2nd year
- Harsh Patel from IC 2nd year
- Mariya Tohfafarosh from IC 3rd year

LOGO QUIZ

Logo Quiz was a team event in which participants had to participate in group of two. We had total 62 teams registered. Following rounds were conducted:

Round-1(Pehchana Mujhe)

In this round participants were given paper with various logos on it. They had to identify and label those logos.

Round-2(Surprise Round)

This was a quick round in which logos were shown on projector for 30 seconds and the participants who wrote more right logos were the winners.

Winners of this event were,

- Mayank Mehta and Miti Patel from IC 4th year

HORIZON OF FILMS

It was a fun non-tech event for all the serioholics. Participants were asked to take part in group of three and we received 38 teams in total.

It consisted of two rounds:

Round-1(What's that sound!!)

In this round, 30 multiple choice questions were given to all the participants related to movies, web series and digital content. The top scorers were then filtered out for next round.

Round-2(Charades of Cinema)

Out of the total participants, 4 teams were selected where they were supposed to identify character or movie name by acting for it similar to Dumb Charades.

Winners:

- Jay Taneja from EC 2nd year
- Bhagya Patel from IT 2nd year
- Aaryan Kayasth from EC 2nd year

TREASURE HUNT

Treasure Hunt was a fun, non-tech event in which 7 teams were formed and each teams were provided with 10 clues .i.e. one clue at each place and they had to click and submit the photo of the location where clues were kept. Winners were selected on the basis of which team came first with all the pictures in correct sequence and the winning team was,

- Umang Mistry from Mechanical 3rd year
- Rushi Tailor from Mechanical 3rd year
- Tanmay Iyongar from Mechanical 3rd year
- Krishna Chauhan from Mechanical 3rd year
- Yuvraj Singh from Mechanical 3rd year
- Satyam Dubey from Mechanical 3rd year
- Jesika Jariwala from Mechanical 3rd year

PES e-FOOTBALL

PES-e-football was an event kept for all the gamers and footballers provided to ease one's burden along with biting fingers in high-octane thrilling intense clashes. It was an online mobile gaming event where head to head match winners moved to next rounds. Players played head to head matches with each other and winner was decided after several rounds of the game. We had 52 participants and among them winner was

- Parthiv Ijardar from IC 2nd year

PRIZE DISTRIBUTION CEREMONY

At the prize distribution and valedictory ceremony was held. All the winners were awarded medals. For technical events 3 medals Gold, Silver and Bronze medals were awarded and for non-technical events winner was awarded with Gold medal. Also vote of thanks was delivered by faculty coordinator Prof. Dr. Bhavina Patel as well as by student coordinator Jugal Ijardar.

TEAM COIN

ACKNOWLEDGEMENT

We the team COIN would like to acknowledge and thank the Head of the Department, faculty coordinators, student coordinators, event heads, volunteers and all the staff members for organizing the event with combined efforts and vision.

We also express our heartfelt gratitude to the enthusiastic students who participated in this fest. Without the enthusiastic support from Content writing Team, Documentation Team, Registration Team and the Marketing Team, this event won't have been a huge success.

We would also like to thank Dr. Hiren Patel, Principal, SCET for his support. We would also like to thank Prof. Dr.Utpal Pandya, HOD-Instrumentation and Control engineering Prof. Dr. Bhavina Patel and Prof. Nandkishor Joshi for their constant support and encouragement and providing opportunity to organize an event. We also thank DEAN of SAWC, Prof. Dr Keyur Rana for the kind motivation, guidance and support.
