

Industrial Visit Report

Manufacturing Industry of Solar PV Modules

At,

WAAREE Energies Ltd.

,

**SARVAJANIK COLLEGE OF ENGINEERING AND
TECHNOLOGY, SURAT, GUJARAT**

The Electrical Engineering Department organized an industrial visit on 21st August 2024 to WAREE Energies Limited for the third-year students. The primary objective of this visit was to enhance the students' knowledge in the field of renewable energy. WAREE Energies Limited, a leading company in the manufacturing of photovoltaic (PV) modules, provided the students with an in-depth understanding of the entire manufacturing process. The students gained valuable insights into the various stages involved in the production of PV modules, including the testing and quality checks required before the products are delivered to the market. This visit helped bridge the gap between theoretical knowledge and real-world applications in renewable energy.

Date: 21/8/2024 Time: 10.00 am

No. Of Students: 38 Students

Staff Members : Dr. Hitesh . K. Mehta & Mr. Munjal Trivedi
