Department of Electrical Engineering

A Report on Interaction with an Alumnus on Immigration to Canada through Masters

**Organized by:
Department of Electrical Engineering
SCET Alumni Association**

**Alumnus:
Mr. Uzairuddin Mobinuddin Saiyed
Hardware Engineer, Ericsson, Canada
On
10th Feb '2022**

**Co-ordinator:
Urvi T. Jariwala
(SCETAA Representatives, Electrical Department)**

Department of Electrical Engineering organized an interactive session under the banner of “**Share What I Gain**”, initiated by SCET Alumni Association for the students of Electrical Department, SCET. The session was conducted by Mr Uzair Saiyed, '2016 passout batch alumnus. The purpose of the session was to make students aware about how to obtain PR status in Canada by securing admission in Masters in any of ranking Universities of Canada.

About the Alumnus

The invited worthy Alumnus is currently working in Ericsson, Canada as a Hardware Engineer. He got selected in Torrent Power, Surat in campus drive at SCET. He served at Torrent power from Aug '2016 to Aug '2017. then moved to Canada in Aug '2017 for his M. Engg. at University Of Ottawa, Ontario, Canada. He graduated in June '2019 and since July '2019 working in Ericsson (High Speed low power) industry as a Hardware Engineer. He became Permanent Resident of Canada since April '2021

Highlights of the interaction:

The following points were discussed:

- Different ways to immigrate to Canada
- Importance of good CGPA in GTU and IELTS bands for securing an admission in a good University
- The importance of work experience in India before taking admission in a Canadian University
- List of documents to keep ready well in advance before applying
- Importance of certificates in Canada and topics of good certified courses to do while studying in masters to fetch a good job
- When to apply for PR
- List of part time jobs the students could do there
- Factors affecting life at Canada

Here are a few glimpses of the session:

Mr Uzair Saiyed welcomed by Prof. Urvi Jariwala
