**Electronics and Communication department**

Under R&D

(March 2023)

Coordinators

**Prof. (Dr.) Nehal Shah, Dr. Vandana Shah**

Electronics and Communication Department,

SCET, SU, Surat.

An expert talk on career awareness for “Overview of Internet of Things, Platform Component and Demo” was held on 4<sup>th</sup> March 2023. It was organized under Research and Development Cell of Electronics and Communication Department. The event was Co-ordinated by HOD- Prof Dr. Nehal Shah and Dr. Vandana Shah. The Master of Ceremony was Ms. Sulaxna Pandey, 1<sup>st</sup> Year ECC, SCET.

Mr. Pranav Purohit was invited as a speaker for this event. Currently, he is an Associate Director at E-infochips, working since 1997 and involved in developing chips to cloud products. He developed product for Textile Automation, Consumer Product, Aerospace industry, Video Management Software and IOT Platforms. He has good Technical skills, Project Management and other soft skills, along with many embedded skills in operating system, Chip Families, Languages and Development Tools.

The event was glorious and was attended by 80+ Students including various departments of SCET and GEC Surat. It was a very informative event where the speaker Mr. Pranav Purohit shared his knowledge about the IoT i.e, Internet of Things with the demo of cloud server.

Below shows few glimpses of the event:
