Demand of Cyber security in recent years increased exponentially due to hefty usage of online systems. Cyber Warrior seminar was conducted with the purpose of providing Cyber security awareness in budding technocrats. It was conducted by the team of experts from Cyberdojo namely Harsh A Raval, Poorvang Desai, and Jay Raval, Network Security Engineer, from Bridge Systems & Services.

77 students registered for seminar and out of that 55 students from Electronics and Communication Engineering, Computer Engineering and Information Technology of 2nd and 3rd year attended the seminar. Seminar was followed by a Quiz and 3 winners were awarded with prizes.

Post the seminar students are given credentials for **CCF (Certified Cyber Security Fundamentals Course)** course for 15 days. The standard cost for this course is INR 3,999/-, however, it is free of cost to all students of SCET/SU who attended the seminar. Once Students clear the course a course completion certificate will be issued.

CCF course content are as below.
- ✓ Familiarizing students with the domain of Cyber Security
- ✓ Introduction to relevant terminology
- ✓ Type of Attacks
- ✓ Défense Mechanism
- ✓ Career Opportunities in Cyber Security
