A Report on Sports Day 2023

Sarvajani College of Engineering & Technology

MCA Department

Organizes

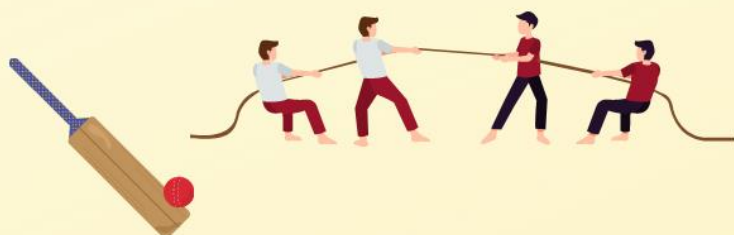

Sports Day
= Fun Day

Date: 4th March 2023

Set your goals high, and
don't stop till you get there.

C R I C K E T

“The more difficult the victory, the greater the happiness in winning.”

-- Pele

Sports will teach us to remain positive and solve all the difficulties during our journey and win. Prof. Prashant Keswani, Head MCA with constant supports from Dr. Hiren Patel, Principal SCET encouraged us to organize the sports day to impart this learning to the students.

In the modern education system, the sports have been made an integral part of the education to make education interesting, stress free and enjoyable. Education is considered as incomplete without sports because education with sports activities draws more attention of the students towards study.

Sports Day at MCA Department started with “Boys Girls Team Mix Cricket”. Simultaneously volleyball was started in MTB Volleyball ground with our state level volleyball players. Students acquired the team building and working in team skills with the help of these games. To serve as icing on the cake event ended by fun games like Tug of war for both Boys and Girls category, Standing Kho, Badminton. Sports day ended with trophy distribution to the winning teams.

Sports Day details can be found below:
