“Diwali celebrates the victory of light, but it also teaches us the power of giving, sharing, and standing together in times of need.”

To celebrate the vibrant spirit of Diwali and promote unity and joy among students, the MCA Department organized creative events of **Diya Making and Toran Making** on **24th October 2024** from **1:00 PM to 3:00 PM** in the MCA classrooms.

The event was filled with enthusiastic participants, as students beautifully decorated the classroom and created stunning rangoli designs, embracing our rich traditions. The event was skillfully coordinated by **Prof. Pinal Mistry** and **Prof. Smit Bhatgara**, ensuring a memorable and festive atmosphere for all.
