Report on **"Integrated MCA"** **Orientation Program 2024**

Sarvajani College of Engineering & Technology
MCA Department

Time: 9 AM Onwards

Venue: NJ Seminar Hall

Objective:

The purpose of orientation program for 1st year students need to be made acquainted to their surroundings in the campus. This includes introductory sessions, giving them an overview of the college/university life; the rules and regulations mandated for each student in the college. The orientation programme serve as a foundation for college/university success which gives the students and teachers an equal opportunity to interact with each other. This would also allow the students to get settled in a new environment. The main purpose of an orientation session in a college is to bridge the gap between the professors and the students, ensuring a smooth communication between the two.

Education is a lifelong journey whose destination expands as you travel....

With this message to our new students we encouraged them to start their new journey of five years Integrated MCA with great enthusiasm and zeal to complete the journey with the greater success. We suggested them to set their goals and stay curious as there is always more to learn, discover, and explore in their new role. The feedback regarding this program by the students was really fabulous.
