Dr. Dipesh Shah
Corporate Soft Skills & Interview Skills Trainer

THE REALIZATION PVT. LTD.

COMMUNICATION TEAMWORK LEADERSHIP GOALS APTITUDE CAREER PLANNING

Date: 6th - 8th July 2026
Time: 9.00 AM to 4.00 PM

Objective of Workshop:

The 3-Day Soft skills and interview preparation workshop was organized to equip students with the essential soft skills and professional competencies required for academic excellence and successful career. The workshop aimed to enhance students' communication skills, logical and analytical thinking, workplace readiness, leadership qualities, interview skills, and overall personality development. Through expert-led interactive sessions, practical activities, and real-life examples, the workshop encouraged students to build confidence, improve teamwork, develop professional etiquette, and prepare themselves for campus placements and future career growth opportunities.

Date	Time	Venue	Total Participants
6 th , 14 th & 15 th July 2026	9 AM to 4:30 PM	Chemical AV Room	64 students (MCA final year)

Resource Persons:

The workshop was conducted by a team of distinguished trainers and industry experts, each bringing extensive experience in their respective fields.

- Dr. Dipesh Shah, an experienced academic leader, personality development expert, and corporate trainer, conducted multiple sessions on aptitude, logical reasoning, teamwork, workplace skills, self-realisation, interview preparation, and mock interviews. His practical approach and interactive activities helped students in building confidence and develop a professional mindset.
- Mrs. Rupal Shah, a renowned Soft Skills and Corporate Trainer, NLP Practitioner, and Personality Development Coach, conducted sessions on communication skills, helping students improve verbal and non-verbal communication, active listening, and public speaking.
- Mr. Parimal Shah, a Leadership Coach and Corporate Trainer, shared valuable insights on workplace readiness, corporate culture, workplace ethics, and professional conduct, enabling students to understand the expectations of the modern corporate environment.
- Dr. Digvijaysinh Virpura, an Oracle ACE Pro, academician, and technology mentor, guided students on career planning, identifying career opportunities in the IT industry, campus placement preparation, and the importance of continuous learning and professional certifications.
- Mr. Ashish Chelani, an experienced career development trainer, conducted an engaging session on resume writing and professional profile building, providing practical guidance on creating impactful resumes and developing a strong professional identity.

Throughout the workshop, the resource persons conducted interactive discussions, group activities, practical demonstrations, and mock exercises, making the learning experience highly engaging and beneficial for all participants.

A few Glimpse of 3 day workshop

Feedback by Students

The students' response to the training, as reflected in their feedback, was very positive. They appreciated the practical approach, interactive sessions, and the overall learning experience.

We would like to thank Dr. Hiren Patel, Principal, SCET, for providing an opportunity to schedule such training. We would also like to thank Prof. Shabbir Ghadiali Head, Training & Placement Department for his support in organizing training. Shri Bhaskar Cheruku, Registrar, SCET for prompt support. We are thankful to Dr. Gayatri Kapadia for encouraging us for conducting such training program and Dr. Prashant Keswani, Head Department of computer applications for your kind permission and support in organizing the workshop.
