Environment Conservation activity in Brief:

- The Students and staff gathered at Gate no. 1 of SCET at 6:30 AM.
- The team reached at Ambika Niketan Riverfront, Surat at 7:00 AM.
- Mr. Akash Bansal, founder of Project Surat explained how to collect waste safely and why we need to do so to save the planet. The objective is to keep our city clean and enviroment healthy.
- We started with collecting waste in riverfront and nearly large 15 big bags of waste was collected by 8:30 AM.
- After collecting waste watering to plants was done by 9:15 AM.
- The activity ended by having breakfast at Jani farsaan by 10:15 AM.

Some Glimpse of the activity:

The activity was conducted for environment conservation and to sow the seed to care for environment and avoid mistakes we are doing, which is polluting the environment. We would like to thank **Dr. Hiren Patel**, Principal, SCET, for providing an opportunity to schedule such activity.
