Report on "Android APP Development Workshop"

An Android APP Development Workshop under Let's Learn Workshop Series, Vikalp was organized by MCA Department for the final year students of Computer Science Undergraduates. Android leads the global Smartphone market with 80% of overall Smartphone sales and employers have been hiring professionals with certified expertise in Android App Development much faster than professionals in any other mobile tech with handsome pay package. So, looking at booming job prospects, we, MCA department had organized this workshop to provide them a platform to do hands-on Android.

The response towards the workshop and feedback by the students was really fabulous. We would like to thank Dr. Hiren Patel, Principal, SCET, for providing permission and support to organize such workshop. We profusely thank Dr. Mehali Mehta, Faculty Advisor, ISTE for providing a Technical support. We would also like to thank Shri Bhaskar Cheruku for prompt support. We are thankful to Dr. Alpa Shah, Head-MCA Dept., for encouraging us for conducting such workshop.

Report compiled by Prof. Gayatri Kapadia and Prof. Rashmi Chouhan
