Under the Soft Skill Development Cell of SWAC, Mock Interview was arranged for the students of Sarvajanic College Of Engineering and Technology. The event took place on the 7th of April 2022 at NJ Seminar Hall, to provide an extensive simulation of an actual job interview. It provided an opportunity to job seekers a practice for an interview with in-depth feedback on their interviewing skills.

The objective behind arranging this for students was to help them get a better understanding of the particulars and procedures of an interview. The jury for the same consisted of 4 members from AIESEC, a Global non profit Youth organization which brings in amazing opportunities for students to explore the cultures of the world.

The detailed schedule of event is as follows:

Sr. No	Division of students	Event	Dates	Time Duration	Venue
01	Engineering and MCA students	MOCK INTERVIEW	07/04/2022	11:30 AM TO 5:30 PM	NJ Seminar Hall

More than 40 students registered for this event with full enthusiasm and energy. The event was coordinated by the student coordinators for the Softskills Development Committee namely Shailja Patel, Jash Shah, Takshil Kunadia, Halima Rajwani, Shivani Sopariwala, Rahul Paidar, Riya Naik under the guidance of Prof. Dr. Vandana Shah. The event began with an address by AIESEC, followed by a felicitation ceremony. Progressively, all the participants were given a time slot for their interview, and accordingly the Mock Interview took place. After every interview, the participant was given feedback on their Resume and their interviewing skills including their confidence, presentation and pertaining to projects. After all the mock interviews were completed, the jury gave their decision and the best three interviewees were selected as winners..

We are extremely grateful to Prof. (Dr.) Keyur Rana, Dean SAWC and Prof. (Dr.) Hiren Patel, Principal - SCET for providing us the support and platform to conduct this event. We are also thankful to Prof. Vandana Shah for helping us coordinate the event.
