### The Workshop:

As being the very first dance workshop after a really long break we had a successful workshop with the participation of around **60 students**, the maximum participation was from **the first-year students** of SCET and they really enjoyed the process of learning the **Bollywood dance routine** choreographed by Mr. Ahire. After the learnings, students also had an interactive session with our guest artist and shoot several videos as well. Over all, it was a very successful event with the support of the SAWC.

We are extremely grateful to Prof. (Dr.) Keyur Rana, Dean SAWC, and Prof. (Dr.) Hiren Patel, Principal - SCET for providing support and a platform to conduct this event. Below shows a few glimpses of the event.
