## **Event Insight:**

### **About the event:**

Sarvajanik College of Engineering and Technology, Surat arranged the moment of proud activity Flag hoisting on Independence Day.

### **About the Activity:**

After so many years in history of SCET, a huge no of Students gathered to celebrate Independence Day. Several students along with almost all faculties were present during this wonderful celebration. The activity was started by Flag Hosting and it was really a proud moment for everyone who were present there to see the national flag waving through the wind. After the wonderful speech given by our principal Dr. Hiren Patel sir about the 4 versions of India after we got freedom. The speech was overwhelming and it was continued by Provost Prof. Persi Engineer sir. It was really a very good experience to hear such great words about our nation. Then the event proceeds with an amazing dance performance by the dance club of SCET. The girls were really appreciative of the energy. Further, the second act was about music and songs. The students of the music club sang patriotic songs which were too amazing to hear. Lastly there was an act of patriotism by the students of the drama club. They did a flabbergasted act. The NSS celebrated the slogan “Meri Mitti, Mera Desh.” by pledging and tree plantation. The whole event was so pure that we really felt proud to be a citizen of this nation. In this way, the event came to an end.
