**Event Location:** SCET college

**Event Date:** 19<sup>th</sup> September, 2023

**Event Accessibility:** Everyone

## **Event Insight:**

**Sarvajanik College of Engineering and Technology, Surat arranged an exhilarating celebration of Ganesh Chaturthi.**

### **About the Activity:**

On September 19, 2023, SCET hosted a splendid Ganesh Chaturthi celebration, showcasing the rich tapestry of Indian culture. The event was a resounding success, leaving a lasting impact on attendees.

Lord Ganesha's idol aagman was done in a grandeur where all the students of the college got together to welcome the vighnaharta. With youthful energy, music, dance and celebration the aura of college was uplifted ten folds.

The students arranged for a beautiful Ganesh idol that was installed in a specially decorated shrine. Everything from every nook of the celebration was arranged, organised and done by the students. With an ethereal idol of bappa and beautiful decoration the college was filled with love and devotion.

Traditional Ganesh Pooja was performed with devotion and enthusiasm for murti sthapna. Aarti was held every morning with students gathering in huge numbers to chant bappa's name and wish to always upload their wisdom and enlighten them and college with his blessings. The students also organised a Satyanarayan Katha to pray for the wisdom and peace of the college to be maintained with the almighty's blessings.

After two days of bappa's auspicious stay at our college it was time to bid him adieu. Aarti was held one last time before the visarjan where bappa was offered plethora of different type of bhog and sweets.

The visarjan was done with no ends lose and no rules broken. With a little sadness but hope that our bappa will return quickly next year we said our goodbyes.

The Ganesh Chaturthi celebration at SCET organised by the students was a resounding success. It not only highlighted the cultural and spiritual richness of the festival but also demonstrated the unity and diversity of our college community. The eco-friendly approach and the educational aspects of the celebration were particularly commendable. It served as a beautiful example of how students can come together to organise a meaningful and joyous event.
