Event Date and Time: 6th September ,2023, 4:00 PM Onwards

Event Accessibility: Everyone

Event Insight:

About the event:

Sarvajanik College of Engineering and Technology, Surat arranged an exhilarating celebration of Janmashtami.

About the Activity:

The organising team left no stone unturned in transforming the amphitheatre into a premise for the celebration of Krishna's presence in our lives. With colourful rangoli adorning the entrance and decoration it just a visually appealing and festive atmosphere.

The celebration commenced with a beautiful and soulful rendition of aarti offered to Lord Krishna. The principal and professors performed the aarti invoking the blessings of Lord Krishna. The serene and spiritual atmosphere created during aarti was a testament to the unity and reverence within the college community.

The highlight of this celebration was the dahi handi event. Students teamed up enthusiastically to break the handi. The air was filled with excitement and cheers as the teams attempted to reach the pot of curd, reminiscent of Lord Krishna's childhood antics.

The Janmashtami celebration at SCET was a resounding success, thanks to the dedication and hard work of the organising students. It not only showcased the in-depth cultural insights for the students as well as a sense of unity and camaraderie among the students, faculty, and the principal. This event was a testament to the college's commitment to celebrating diversity and traditions while promoting a sense of community among its members.
