## Event Summary:

On 9th August 2024 , the SCET Photography Club hosted an engaging event to recruit new members and showcase the art of photography. The event commenced with a warm welcome and introduction to the club's mission, objectives, and past events by the speaker Krish Patel.

The speaker then delved into the world of photography, providing valuable insights and tips on three specific topics: SCET Campus Photography, Macro Photography, and Creative Photography. This informative session equipped attendees with the knowledge and inspiration to capture stunning images.

Following the introduction, a photography competition was held, where participants were challenged to submit their best shots based on the three topics. This competition encouraged students to unleash their creativity and showcase their photography skills.

The event provided a fantastic opportunity for students to learn, grow, and connect with like-minded individuals who share a passion for photography. The College Photography Club looks forward to welcoming new members and organizing more exciting events in the future.

### GLIMPSES OF OUR WINNERS ART:

## Event Highlights:

- Introduction to the College Photography Club and its events
- Informative session on College Campus, Macro, and Creative Photography
- Photography competition with three topics
- Opportunity to meet and connect with fellow photography enthusiasts

## **Conclusion:**

The College Photography Club recruitment event and photography competition was a resounding success, attracting a diverse group of students who share a passion for photography. The event provided a unique platform for attendees to learn, showcase their skills, and connect with like-minded individuals.

Through the informative session and competition, participants gained valuable insights and hands-on experience in various photography genres. The event also served as an excellent opportunity for the club to recruit new members and build a stronger community of photography enthusiasts.

The College Photography Club is grateful for the enthusiasm and talent displayed by the attendees and looks forward to organizing more engaging events, workshops, and exhibitions in the future. With the new members on board, the club is poised to continue capturing and celebrating the beauty of the world around us through the lens of a camera.

## **Recommendations for future events:**

- Organize regular workshops and masterclasses on specific photography genres
- Host photo exhibitions and showcases for members' work
- Plan photography excursions and field trips to explore new locations and themes
- Collaborate with other college clubs and organizations to expand the club's reach and opportunities.

## **Acknowledgement:**

Special thanks to Dr Mayank Dalal(Dean SAWC),Prof Bhumika Patel, Prof Satish Dokiparthi and all the SCET Photography Club Volunteers for their constant support not only during the event but throughout the year.
