About the Event

“Lake Through the Lens” was a nature photography event organized by the SCET Photography Club (SPC) at **Gavier Lake**. The session aimed to give participants hands-on experience in capturing birds, insects, and natural landscapes in the fresh morning light.

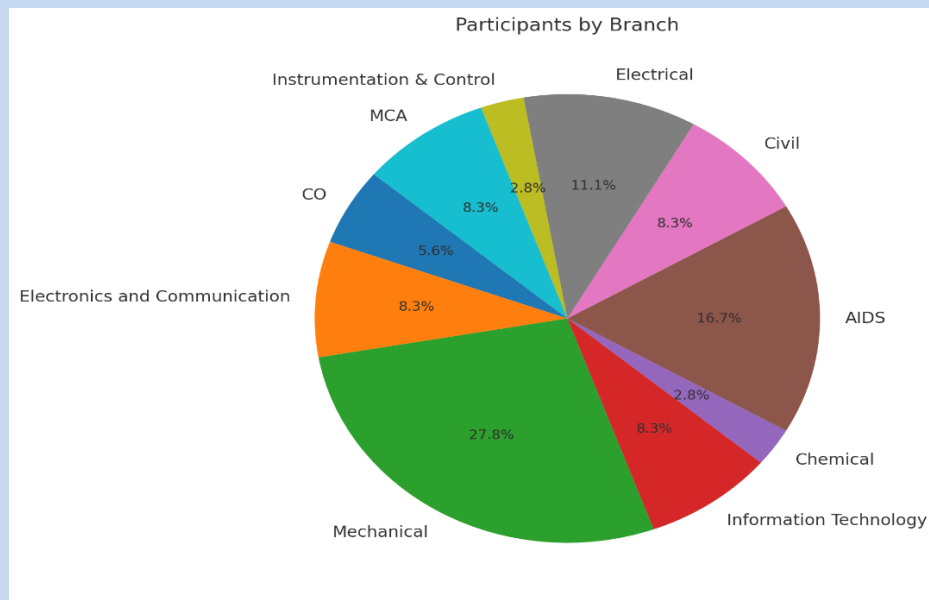

The event began with a short introduction about the goals of the session and basic guidelines for outdoor photography. Participants then walked around the lake, exploring different angles and compositions while observing nature closely. They were encouraged to capture unique shots and express their personal perspectives through their photos.

At the end of the session, everyone shared their best pictures along with a brief explanation of the idea or story behind their shot. This encouraged creative thinking and peer learning.

The event provided a fantastic opportunity for students to learn, grow, and connect with like-minded individuals who share a passion for photography. The College Photography Club looks forward to welcoming new members and organizing more exciting events in the future.

Participation

The session included club members across batches, supported by senior mentors. There were in total 37 participants present there from different branches as well as different years.

Glimpses of the walk:

Event Highlights

- Explore nature-based photography in a real-world setting.
- Discuss the Club's mission, activities, and member roles.
- Discover new ideas and cultivate creative angles and perspectives.

The SCET Photography Club recruitment event and Photo-walk was a resounding success, attracting a diverse group of students who share a passion for photography. The event provided a unique platform for attendees to learn, showcase their skills, and connect with like-minded individuals.

Through the informative session, participants gained valuable insights and hands-on experience in various photography genres. The event also served as an excellent opportunity for the club to recruit new members and build a stronger community of photography enthusiasts.

The College Photography Club is grateful for the enthusiasm and talent displayed by the attendees and looks forward to organizing more engaging events, workshops, and exhibitions in the future. With the new members on board, the club is poised to continue capturing and celebrating the beauty of the world around us through the lens of a camera.

Acknowledgement

The team SPC extends a sincere thanks to Dr. Hiren Patel, Principal, SCET, for his support to conduct this creative photography event. We also thank Dr. Mayank Dalal, Dean, SAWC, for aiding us to make this event a huge success. We thank all the staff members and students of SCET for their enthusiastic participation.

Thanks and Regards,

Prof. Bhumika Patel (Coordinator, SPC)

Prof. Satish Dokiparti (Co-coordinator, SPC)
