Report on Women's Day Celebration on International Women's Day 8th March 2019

#AbSamjhautaNahin Interactive Workshop arranged by SCET TED Club and Women's Development Cell, SCET

Women's development cell (WDC), SCET and SCET TED club organized Interactive Workshop on #AbSamjhautaNahin for students of Sarvajanic College of Engineering and Technology, Surat on 8th March 2019, Friday between 3:00PM to 5:00PM at TIFAC core seminar Hall to celebrate women's day in its best possible manner.

Session was conducted by Ms. Agrima Rathore, Campaign Manager for Josh talks and Vivel. The seminar started with a very general discussion regarding gender. The six fundamental rights mentioned in the constitution were discussed. Legal rights for women as well men were discussed briefly. Sensitive issues like domestic violence, harassment at workplace were discussed with certain case studies that had severe effects on society. Several women who have inspired us by fighting for such sensitive issues were showcased and due to that amendment in our legal system were narrated. Session was ended with "How to deal with issues related to women safety", "How to lodge a complaint" and "How the proceeding carried forward after lodging complain". Overall it was a very eye-opening seminar for all. Around 120 students of SCET from various branches had participated in workshop.

Report on Women's Day Celebration on International Women's Day 8th March 2019

“Nothing makes a woman more Beautiful than the belief that she is Beautiful”

International Women's Day is perfect time to rejoice the joy of being a WOMAN. With this idea, M.C.A. Department, under auspices of Women Development Cell, celebrated Women's Day on **8th March 2019, 3.30 PM** onwards in M.C.A. Lab in a very unique and special way. The event was coordinated by **Prof. Alpa Shah** and **Prof. Zankhana Vaishnav**.

Under celebration, following activities were conducted for the female faculties and students of M.C.A. Department:

1. Screening of documentary “**Period. End of Sentence**”. This documentary is awarded *Best Documentary Short Subject* by *The Oscars*. It revolves around the story of Indian women fighting the stigma surrounding menstruation and the start of manufacturing sanitary pads.
2. Short skit on “**દિકરી હાથમાંથી ગઈ**” was performed by 4th semester female students.

The event ended by giving each of the women special message wishes and chocolates. The celebrations spurred young females to fly with wings, made them desirous to endeavor on newer trails and blossom in each season of life, truly brought the best on this special day.

Sharing some glimpses of the joy during the celebrations.
