**Date:** 30<sup>TH</sup> August 2019 to 1<sup>st</sup> September 2019

**Venue:** UG Computer lab (EED)

**Faculty Coordinator:** Prof. Dimple Bhanabhagvanwala

**Student Coordinator:** Mr. Shahid Jariwala(BE-III,EL,Shift-1)

**No. Of Participants:** 22

Electrical Engineering Department organised a Workshop on '**ARDUINO WORKSHOP**' for the students. The main aim of workshop was to provide hand-on exposure of Arduino Platform for implementation of different embedded system applications.

The students from Electrical Engineering, Electronics and Communication engineering and Information Technology Department and also from other colleges like CGPIT, Bardoli and SSET, Navsari participated enthusiastically. The students learned the programming of different modules of Arduino controller. Also they had hands-on practice of hardware interfacing external devices to the controller. Students also implemented the application based on these modules.

### Glimpse of the workshop
