Report on Guest Lecture
“Cyber Laws in India & it’s Importance”

With the increasing development in the area of Information Technology, e-governance as well as incorporation of internet in every walk of life, it becomes inevitable for us to be e-secured. Keeping this motive in mind & with the intention of benefiting our third year students who have opted for cyber security as their institute elective, Department of Electrical Engineering had organized a guest lecture on “Cyber Laws in India & it’s Importance”. The lecture was scheduled on 24/08/2015, Monday at 1:30 pm at TIFAC Seminar Hall, SCET.

We were very fortunate to have the presence of a very eminent personality from this area Mr. Tejesh Patel whose brief profile is as given below:

- **PROFESSIONAL**
