

Urja, since its inception in the year 2003 till 2005 and its revival since 2009, has been an endeavour to provide a unique platform to the students of Electrical Dept whereby they would present innovative ideas, hone their communication skills and learn to be a leader and a teamplayer. Urja '14 was a grand success. Change is the law of nature, following the similar lines, Urja'15 has come up with more innovative events to inculcate inquisitiveness and broaden the horizon of knowledge. The main attractions of URJA'15 and Student Registrations were:

- PAPER PRESENTATION (06)
- MODEL PRESENTATION (16)
- MODEL EXTEMPORE (156)
- VIDEO PRESENTATION (07)
- GUEST LECTURE (150)
- GD & PI SESSION (110)
- TRACK THE CRACK (129)
- QUIZ COMPETITION (126)
- SCENE & UNSEEN:-PHOTOGRAPHY (50)
- URJA REPORTER (06)
- POSTER PRESENTATION (05)
- LASER MAZE (185)
- Mock GATE Test (82)
- Drawing competition (20)
- Poetry Competition (14)

We have received a very good response not only from the students of SCET but also from the students of GEC Surat, Chhotubhai Gopalbhai Patel Institute Of Technology, S.N.PATEL INSTITUTE OF TECHNOLOGY AND RESEARCH CENTRE, CKPCET. All together there were more than 1000 participants registered for all the events. The entire event was met with the grand success.

Some of the sweet memories of URJA'15 –

PAPER and VIDEO PRESENTATION

Students come forward to express their technical ideas in the field of advanced electrical technology, with the help of paper presentation. Web Learning made easy! Express complex electrical concepts by means of simple videos from World Wide.

RELATE & CREATE:- MODEL PRESENTATION& MODEL EXTEMPORE

Students give wings to their ideas by creating models. They think about various laws which can be used to full fill the task and implement them using the provided components.

GUEST LECTURE

Students expand their horizons by being part of the talks delivered by prominent engineers. Shri parvinder singh khanna from waaree Energies limited had been invited to impart a lecture on "Advance and status in Solar Photovoltaics"

EXPLORE YOURSELF:-GD & PI SESSION

Students aspiring to get into MNC, come and face an interview conducted by Dr Prof. Mahesh Trivedi. The first quiz round was conducted on 09/09/15.

TRACK THE CRACK:-FIND FAULT IN THE CIRCUIT

Students put their basic knowledge to test by debugging simple electric circuits.

IQ-TRIVIA:- QUIZ COMPETITION

Students can test their general knowledge by such quiz competition. Questions are non technical based on competitive exam like IAS, IPS.

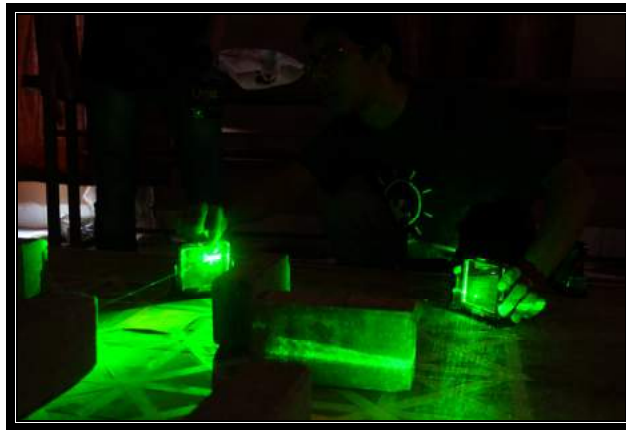

POSTER PRESENTATION

Think it. Draw it. Students prepare the posters of their final year project work.

TRICK AAVARTRAN:- LASER MAZE

Clear the tricky laser mazes to survive the rounds.

Alumni, Staff and students get-together and URJA'15 Prize distribution
