

**SARVAJANIK COLLEGE OF ENGINEERING & TECHNOLOGY,**  
**SURAT**

**BE 4<sup>th</sup> YEAR SEM 8<sup>th</sup>**

**ELECTRICAL (SHIFT I)**

**A BRIEF REPORT ON THE INDUSTRIAL VISIT OF**

**Happy Engineering, Udhna, Surat**

**Visit to Happy Engineering, Udhna, Surat by  
Electrical Engineering Department, SCET**

**Date of Visit: 26<sup>th</sup> Feb, 2016**

**No. of Students: - 29**

**Year: - BE 4<sup>th</sup> Sem 8<sup>th</sup> Electrical (Shift I)**

**Faculty Members:**

**1) Prof. Hemin D. Motiwala**

**2) Prof. Hardik Pandya**

## **HAPPY ENGINEERING:**

- It offers an excellent quality range of Electric Motors, which are manufactured from high grade quality raw materials.
- These Electric Motors can be customized as per our precious customer's specifications.
- These Electric Motors are widely known for its durability and quality.
- Electric Motors can be availed at industrial leading price.

### **Products offered**

- Fan Motor
- Brushless motors
- Tubular motors
- Stator coils
- Electrical motor parts
- Heavy duty motors
- Brake motors
- Coreless motors
- Flange motors
- Lift motors
- Motor cover
- Electric motor fan cover
