CHEMCLAVE - 2018

CHEMCLAVE, an annual technical symposium is organized by chemical engineering department, SCET every year. This year CHEMCLAVE 2018 was organized by chemical engineering department, SCET under the banner of KSHITIJ during 14th September, 2018 to 15th September 2018. The event was a grand success, wherein a total of 650 participants took part from SCET (from various departments). The techfest had 5 competitions of which all were team/individual events.

The Inaugural Function was held at the TIFAC Core Seminar Hall. Prof. Vaishali Umrigar, HOD, Chemical Department started the inaugural function by giving a welcome speech and motivated students to participate in the events. The student co ordinator and co coordinators then introduced the various events.

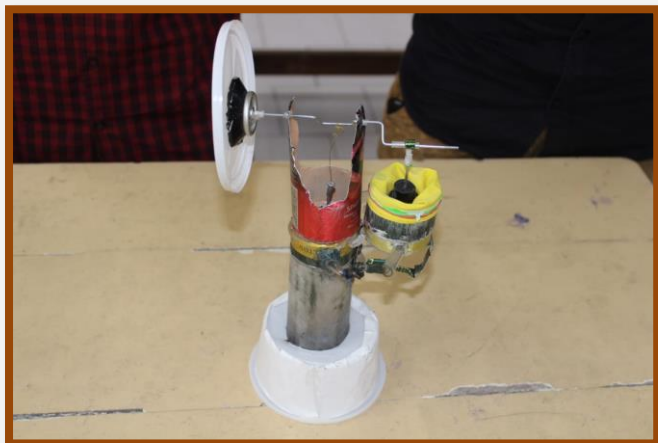

CHEMCLAVE - 2018

After the function, Day 1 of techfest began. On the first day of the fun fiesta, all the screening rounds of various events were done and the competition “Avishkar” (Model Presentation) was held. All the events were managed amiably and brilliantly. The results of the screening rounds were released and reached the selected participants on time so that they managed to arrive when expected for the events to begin according to schedule.

The events included:

1. **AVISHKAR:** It was a model (working/non working) presentation event. This event set the stage for the participants to showcase their skills wherein they applied their theoretical know-how to practical implementations and present their ideas before the jury. There could be maximum four participants in a team. Topics were related chemical engineering or environment.

CHEMCLAVE - 2018

2. **ABHIVYAKTI:** This competition was theoretical paper presentation event. It was an event wherein students either formed a team of maximum four participants or individually presented their scientific papers before a jury of experts. We had external juries in this event (one from industry, one from academics and one internal). The topics were from the field of chemical engineering for BE II, III & IV and chemistry & environment for BE I.

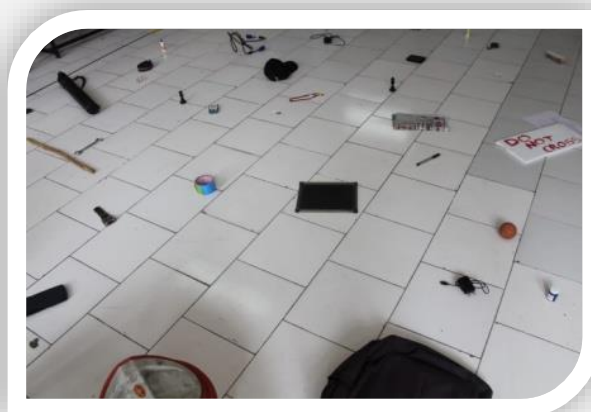

CHEMCLAVE - 2018

3. **PUMP IT UP:** This event comprised of three rounds. The first round was quiz related to fluid mechanics, general knowledge, and aptitude. Second round was relay race w.r.t. equipments in various chemical engineering laboratories. In the third round, participants were supposed to create a mini rocket with plastic bottles and various chemicals and were supposed to give it a thrust with the help of a pump in the air.

CHEMCLAVE - 2018

4. **BLINDBLUFF:** This was a multiple round event. There were 2 rounds, in the first round the teams saw a crime scene & questions were asked regarding the crime scene. In the second round was “Chase the treasure” wheein the teams were assigned some tasks. At the end of each round, lowest performing teams were eliminated.

CHEMCLAVE - 2018

5. **MINUTE MANIA:** It was free minded event which required quick decision making and requiemment of coordination with the partner.

CHEMCLAVE - 2018

Winners of CHEMCLAVE 2018

Event	Position	Name	Year	Branch	College
AVISHKAR	I st	Arshit Dobariya	III rd	Chemical	SCET
		Meet Gondaliya	III rd	Chemical	SCET
		Jigar Mavani	III rd	Chemical	SCET
ABHIVYAKTI	I st	Naim Memon	IV th	Chemical	SCET
		Abhi Soni	IV th	Chemical	SCET
		Fenil Dudhatra	IV th	Chemical	SCET
PUMP IT UP	I st	Kunal Devsinhji Rajput	IV th	Chemical	SCET
		Chauhan Ruturaj	II nd	Chemical	SCET
	III rd	Wadi Vatsal	II nd	Chemical	SCET
		Hemil Patel	III rd	Chemical	SCET
		Adarsh Patel	III rd	Chemical	SCET
BLIND BLUFF	I st	Nakshi Inamdar	III rd	Chemical	SCET
		Nishant Trivedi	III rd	Chemical	SCET
	II nd	Fenil Dudhatra	IV th	Chemical	SCET
		Naresh Hadiya	IV th	Chemical	SCET
	III rd	Vraj Shah	II nd	Computer	SCET
		Krupa Naik	II nd	Computer	SCET
MINUTE MANIA	I st	Priyank Prajapati	III rd	Chemical	SCET
		Rinkesh Rathod	III rd	Chemical	SCET
	II nd	Siddharth Hirapara	I st	Chemical	SCET
		Viral Patel	I st	Chemical	SCET
	III rd	Naresh Hadiya	IV th	Chemical	SCET
		Kunaldevsinhji Rajput	IV th	Chemical	SCET

CHEMCLAVE - 2018

Valedictory

The Valedictory Function was held on Saturday, 15th September at the project lab of chemical department. This function marked the end of CHEMCLAVE - 2018. All the winners, marketing team, organizing team, photography team and IR Desk team were awarded with certificates.

CHEMCLAVE - 2018

Acknowledgement

1. Management of SCET
2. Dr. Vaishali Mungurwadi, Principal, SCET
3. HOD, Chemical Engineering Department
4. Co-faculty, Prof. Beena Jadav (Faculty co-ordinator, CHEMCLAVE 2018)
5. Staff of chemical department
6. Team CHEMCLAVE 2018 (Student co-ordinator, Student co-coordinators, Event Heads, volunteers, publicizing team, IR desk team, designing & printing team, photography team and master of ceremony).
