A Motivational talk on

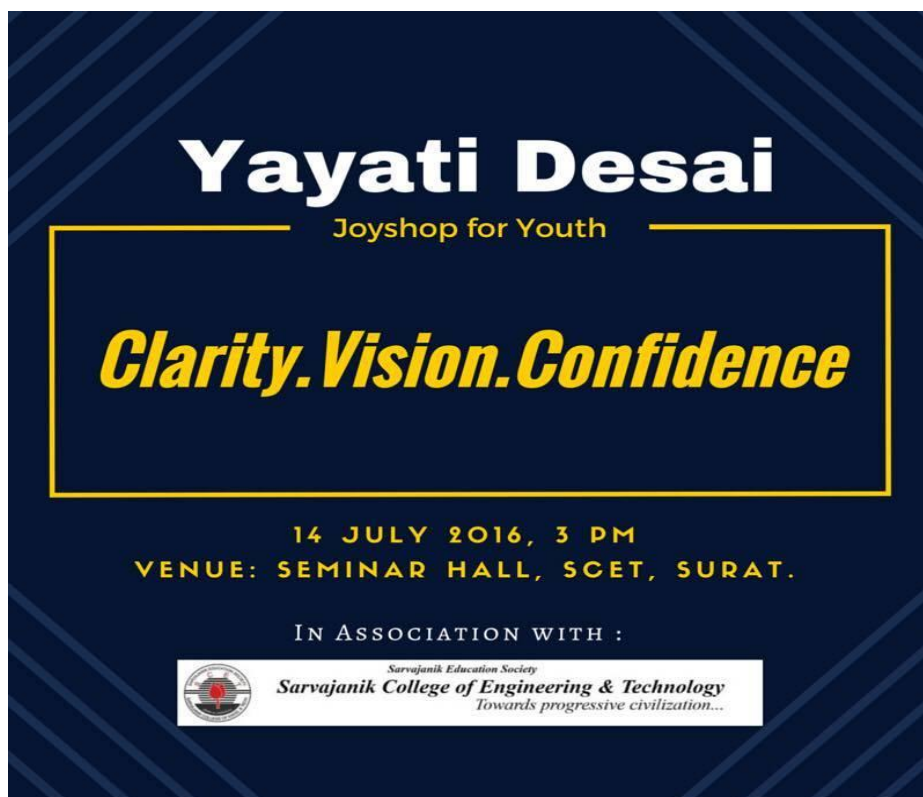

**CLARITY, VISION AND CONFIDENCE**

**14<sup>th</sup> July, 2016**

By

**YAYATI DESAI**

(Alumni, Chemical Engg. Dept 2012 batch)

Yayati Desai is an Alumni of Chemical Engineering Department (2012 passout) who is now a professional Motivational Speaker. He conducts his JOYSHOPS in various schools - colleges to aspire the young developing minds for training themselves to follow their dreams and work for goal achievement.

His motivational JOYSHOP was organized by Chemical Engg. Dept on the topic “**Clarity, Vision and Confidence**” on 14<sup>th</sup> July, 2016 under the banner of SCETAA’s initiative “**SHARE WHAT I GAIN**”. More than 80 students took advantage of the session and got inspired and accelerated to do their best.

He pondered on the facts that most important aspects in life of student are determination and commitment. He also focused on various issues of students such as lack of concentration and strong willingness to work hard. He discussed TBAR (Thought-Belief-Action-Results) technique to achieve any result in our life. Such sessions on small intervals would surely kindle the spark in students to achieve what they deserve and desire.
